

Lai Yin Women's Association

Established in 1986, our mission is to care for the welfare of Chinese women in the UK by providing social, educational, and recreational services, as well as practical support. We also work in cooperation and partnership with other organizations, participating in the establishment of the Sheffield Chinese Community Centre and the development of other Chinese community initiatives.

In 1992, we further launched the New Directions Programme, with the aim of providing pre-employment training for members of the Sheffield Chinese community, both men and women. We offer English classes, business courses, computer training, self-development courses, and provide support and guidance in job searching.

於一九八六年成立，我們的宗旨是為照顧華人婦女在英國的福利，提供社交、教育、康樂服務及實際的支持。並與其他社團合作及聯繫，參與建立雪埠華人社區中心及推動其他華人社區的發展。

我們更於一九九二年創辦了「新導向計劃」，目的是為雪埠(謝菲爾德)華人（不論男女）提供就業前訓練。我們舉辦英文班、商科課程、電腦培訓、自我發展課程，並在求職方面提供支援與輔導。
