"PMO Talks" Event Series Held at UNEC within the Erasmus+ Jean Monnet Module

As part of the Erasmus+ Jean Monnet Module, the "Effective Project Management in the European Union: Best Practices and Case Studies" (EUPMO) project at UNEC organized a series of events titled "PMO Talks."

The sessions aimed to strengthen project management capacities at UNEC and support successful engagement in international projects. Discussions covered key principles of project management, the role of Project Management Offices (PMOs), and modern methodologies used in EU-funded initiatives.

The events also provided a platform for exchanging best practices in project planning, teamwork, and stakeholder communication, contributing to more efficient and sustainable project implementation.

UNEC Expands Jean Monnet Cooperation with University of Málaga

Within the Jean Monnet Module EUPMO initiative, UNEC representatives visited the Jean Monnet Center of Excellence at the University of Málaga. The delegation met with Vice Dean Amalia Morales Zumaquero to learn about the center's structure and operations.

The meeting enabled an exchange of best practices and practical insights based on Málaga's extensive experience in Jean Monnet activities. Discussions focused on strengthening cooperation and enhancing the effectiveness of future initiatives.
