

Letter of Recommendation Tatu Luoto  
Subject: Letter of Recommendation for Tatu Luoto

To whom it may concern,

It is with great pleasure that I write this recommendation for Tatu Luoto. Tatu has worked at Joseph ORS as an all-round construction worker, and I look back on our collaboration with great satisfaction.

Tatu has proven himself to be a truly hard worker. In construction, no two days are the same, which required a high degree of flexibility from him. He stepped into the all-round role effortlessly and showed great skill in most tasks. What particularly stood out to us is how fast he learns. He masters new techniques and methods in a very short amount of time.

In addition to his technical skills, Tatu is above all a very reliable person. In our industry, it is essential to be able to count on one another and for agreements to be honored. Tatu is someone who takes responsibility and shows the necessary dedication to bring every project to a successful conclusion.

In short, Tatu is a skilled, eager to learn, and loyal professional who will be an asset to any team or company. We thank him for his excellent work and wish him the best of luck in his future career.

Should you have any further questions regarding his work or performance, please feel free to contact me.

Sincerely,

Tom Joseph Joseph ORS Tel: +31 6 44958496
