 what...cannot see less what of for a...hilt depth trace
 see widen never...begin what from sees less absolve...
 what sees absent lesser breathes of it...sees black of
 none till havoc see ash oceanic seen...see claim what
 breathe aches nothing ever...see non-see...see what
 what matter of it... tidal-non asks what no answer
 to...breathe in-breathe... see asks cannot follow it...
 it is nothing or...wind absence of tide sees only end...
 end of follow mark hollow cannot it claims none more
 arbitrary...withered see says what no answers to...sees
 left no distance right...permeates of none sees eclipse of
 shadow once...matter see matter says what undone to...
 to answer to says none distance ever... locks blood as if
 it too were to decide it sees...recollect what matter...
 oceanic nothing amber nocturne so & as if to...still
 breach ask of it or not of what...lung lapse of see all eye
 unseen...silence/ silent/ silent traces...sees what is not
 sought...unknows of breathes allsame...denuded eye
 what of the seeing of it...lacking of the lightless seen/
 ever-elsewise...fragments traces nothing for tomorrow's
 absent flame.../echo/ echo/ see what null...gouge of
 all closed wound absorb sees/ echo/ unsung...ask now
 of the why to the too of the why of no question other
 than where zero the closure eye that once where knew
 silently divulged as what lapse of passage play & silence
 weighted in the palm of the other then returning to

the other & so forth as all that in-between of the what steady nothing to be in the absolute cast aside in a breath of dispel an end to what flourish yes what an end to become of it to make of it it-dreamt of finally nothing of the furthering the lessening the...as too soon the door ajar & the jaded shadow shed left behind as if to breathe of it were to be of in an elixir of vanquished the night no further step once two/ stepped not once...)

*...echo singular count of/ zero echo count once whisper
murmur neither/ bones unto forage for in-dreaming
next to follow breathless by design/*

*a strand of blind light a garrottel/ broke jaw bone blood
to wrestle stolen from desire's chalice-tidel/ shadow-ever
nothing clad in pelts of skin-deep laughter echoing
verandas of night's claim upon/*

*sudden yes or no sudden to expire till taint white ashen
stolen from gardenia effortless/ lock-stun of unknown
pageantry/ a whisper recurrence no/*

*unsaid unspeaking collapse seasons damaged nullity
collapsed lung of sickness dwells in parched throat/
what winds to grace the absence of/ sky not known/*

*here or there walls warp in a cast of dice syllabus a
mockery of silent effigies/ zero cracking apart/*

*resonate in marrow-mind ocular roving a foreign drift
till taste of razor despair given to piss upon all terrains/*

*dragging out/ a corpse of tide lapses ever in bound bones
effortless unspeaking of/ plumes of burnt blood till count
none singular/ Avel/ nothing taken from begun...*

*...eye sky a little shod black bitten silhouette stung-lapse
off in/ ever off collapse in-dread forage null till bone
shatter bruised bloody fleshed veranda give or taken/*

*silenced/ absence off till colour-claim effortlessly designed
desire for (the) one thing seeking vibration tones/*

*lock-trace/ a caress/ sheared skull blessed a relapse
nothing given nor taken it/ out-stretched wings a kiss of
cold sands where no sun is birthed/ funereal tide/*

*dead what oncel/ fades out once more in paradigm of shit/
dread lock once forgotte the broken body of signature/
slashed wrists here now a sanguine trace recollects/*

(in night to trust)/

*onward says (the) naught/ din of cold closure a doorway
dragged from listless tidal/ oxygenate of nothing ever
some lapse or another's claim/*

*breeds pageantry silences working till hollow tint a
painted trace/ outrol/ (steps once diameter ever no
motion beyond)/*

*peeling final from stricken blood/ ice in (the) veins/ eye
neither eye spied upturn in lock white overture...*

*...vacuum pitch colour(less)/ stone wind breaking upon
fallen exigency an echoing veranda of absent wave/
devours devour/*

*draped in meat I-bone collective rot of singular sun +1
collapse/ nullity sunk zero in abattoir tears blind weight
knocking uponexcise till wind's expire tread what oncel/*

*once more/ laughter echoing through the pores of
parched vertigo/ again what as if unto to be a subtle in
of which eye-clad salt in wound/*

.../ stun-spoke/.../

*waxen all/ psychotic tread given to birth from an ever
flowing none/ speeches trinkets things for some other
absence/*

*cold weight of null and void seeping in where fallen
tread redeems no light broken upon emptied soil/ fingers
to dredge in fleshed obscurity/*

*walls as if there/ walls warp in (the)/ in-suffocate of no
clear distance calling from what black till nowhere left
to be/*

*blood beneath butcher's fingernails seclusion not a trace/
breaking broken locket of final ever/ no not a...*

*shrift wind till understray a shard a shive of bone snare
reclusion effortless demise to fever itch cold stone exile(d)
shadowing...*

*...black bite snare/ beckons of/ blood still as/ cleft the
sheet-wind's overthrow/ of what else as if to/ sting-
shadow lights/*

*bereft of/ clemency of the naught to follow/ as if what
said till claim of the beseech/ asked of/ flesh gathered in
pit of longing/ said without/*

*murmurs of dead speeches/ the bitten un-flow of
exigency/*

*veins taut/ effortlessly cast aside the break-neck following
on from/ into the non-dreaming of else spoken as of/*

*blight non-sight a circus animal's beheaded laughter/
echoing/ final as/ as if in the tearing of meat given to
taste at ever-eclipse/*

*heart lung what breath the breathe is held/ scatters the
dead bones long forgotten/ as if to claim where there is
none/ as if to folly unto/*

*all speech erased but for the slivers that mark the surface/
from the surface swept aside by the empty-handed lapse/
bone snap of where does the lapse reside/*

*asked of/ night yet night cannot be/ films coat the eyes/
in the drag in the drowning dreaming else/ no nectar
haven/*

*snare black bite bones withered/ walls from which out
of which/ nothing to claim/ reversall/ static overlay + 2/*

*desire/ desire for the blackened atrophy of some voice/
that never dwelt/ sky upon sky upon watermark/ in the
light of the spun carnage of innocent...*

*...snares it cannot be the bone lock of the teeth/ fingers
reduced to wilted seasons/ white ash/ the movement
from none unto.../*

*given that the taste devours/ scream-white never
without end/ whittled the light limb occupancy/ clarity
is for wastage/ of the shining eye's address/ stung which
way or other felt/*

*skeletal as/ carousell/ bled-bleed of the bitten tongue the
mock resound/ it is nothing it cannot follow/*

*bitten the asked of violence of the snare of teeth that
slaughter motion/ scarred upon till afterward/ the scars
recede/ they never recede yes or no/*

*bone black the charred scratches the walls are dissipating
there was never it was ever thus/ untill/ mocked yet by
the lung that refuses silences/*

*taste of spit/ bloody asphalt/ the machinations of desire
in the glistening blade/ across the flesh drawn the
glistening of till bite/ the excess of which uncharitable
absolute/*

thus speaketh the lie/

*bound till excess/ turning whatever next into
nothingness/ not a trace nor fragment other than the
callused pulse/ spitting out the claim of paroxysm/ let it
slide/ there will yet/*

*undone for the sake of never having in spite of/ drag
of sky yet of/ else of what yet till have or held/ skinned
the ever-flow/ tactile as ember upon/ in exile nothing
ever...*

*...the bitten lapse/ stretch of obliterate/ of dead silences/
crack crack there go the bones/ nothing as exiled
homestead/ the words coagulate as if to choke/ a light
bulb shattered & then gone/*

*treads the emptily of/ spasm lock/ the vapours/ vapours
arise as if to drill the final into flesh/ the dreaming then
is of/ (not a chance from the...)/*

*locked headed as of sky/ film of emblems/ emblems/ the
eyes are blood they are smears of shit beneath the sky's
abort/ not a trace but for the silence/*

*tone deaf stone or/ gravitates towards the lapse only to
find the lack/ black stone grate/ the chiselled teeth of
night glow amber in dark corners/*

*pelt of never-forgiving emptiness/ no solace in the recoil/
coil/ recoil but 1/ comes and goes the voice mistakenly/
a virus pageant/*

*played out for the given of a lifetime out of the lack of
anything else/ the embers fade/ the seasons laugh louder
yet growing dimmer of ear/*

*the chalice mocks the carousel/ all/ dice cast in a winter's
corrugation/ the barren veins kiss the dusted chalice/
tidal of/ in the glare of the long forgotten/*

*bask of/ stretch of obliterate/ what of/ paring away the
skin away/ bled out/ until.../*

*voiced yet without purpose/ scattered emptily the words
graze the surface/ no darkness belittled/ no silence
overthrown...*

I

*...a slaughter of in any given outcry where to nothing
of is to excise skinned landscape desolate as echo of
whereto of the collapse is to burn of stripped black meat
as of what will in razor recurrence in vault of exile to
where bitten of is to be snared in the silence absences to
taste till what matter colourless appeal some drag some
scarred as was risen from electrical nothing of to bear
as vacant the eyes cold vibratory light of locked to ever/
unto...*

... (a taste of veranda a broken lock a lightless pageant...
 skinned flesh opening up a corridor of scream given to
 vibrate of wailing in an outcry of the blood... motion of
 lack of motion collapse of bitter waste taken from once
 begun... the hand that reaches for yet recoils from edge
 of recollect a shiv in the breath of secret flesh... nothing
 to burn of all thin as lights to bear down upon a silence
 never before known throughout where to mockery is
 of some bitter skyline... all lapse of throughout where
 children play upon fresh grass as barren of to advance is
 all that be in microscopic colours... trace of the absurd
 long shadow of devour... night recollect where to birth is
 to abort from any given roomscape desolate by design...
 glass to shatter in a realm of unknown savagery as
 damage seasons collect the shit of plenitude... spoken
 of... never once of it... vital shadows burn into from out
 of reach... blood to caress upon denuded skin)...

*...a blade a smear of flesh upon clear glass flies
gathering a vacuum of where to bleed is edge closer to
some ultimatum of final excursion throughout which a
sickness to occlude bone bite & a bitter frenzy toothed
to the sky alone as of what held driven nails in flesh
echoing out some gilded sarcophagus of dissipation
where to follow of is to nectar breakage limbs chamber
of eyes ablaze through vent of bleed of shadow's ice...*

... (discharge of waste of cum upon a cold bodily obscure blood run cold no longer of it in wound seclusion barricade...roomscape of scattered bloody petals of some desolate flowerings...ashen vapours arise from some depth long hollow abortion pilgrimage...trace of blind waste a sickness of to tread throughout nothing closure tongue...broken limbs litter the pathways of beyond ...night's vengeance is to remain silent birthing merely through some bankrupt vocalise...cold spasm of uttered prayers from depth unknown...echo-echo fade to resurgence skinning the breath till fury bound ... nothingness picking the scrags from its...blind cataract eyes stare out into non-space given to invert...catascope offinal given unto abattoir a-bleed throughout ablaze... castrated lights to spill their shafts upon nothing ever as was shown to forget it of throughout...dead as...a strip of film torn from obscure visions barren as)...

*...a breakage from till glint in foreign lights as from
what speech deliverance to taste what lung of some
obscure tasteless design of skull slashed through by silent
reek of light dissolve taken from yet given to where to be
outreach is of for into where fallen sky merely of nothing
of to bare it to the longing silent laughter of breathless
murmur of where to be obsolete laughter echoing in
silent tongues a birth-ed landscape ablaze throughout
it...*

...(a trace in the night of gilded opulence...a child's dismembered limbs adorn the desert sands as of debris...breathless redeem of disintegration venting to the sky as if it mattered a fuck...prayers from the deep to strangulate...ripped flesh from the gouge of mouth to birth dead longing in a pitch dark night of alongside it breakage to...silent whispers from...endless origin of beseech...slashed wrists of amphetamine striations ... psalms to some image long lost...dead all foreign of as if to have where speech is closure as...light fades out from origin of forgotten sunlight...the blood cannot be washed away it seeps from the stitched eyes of dead purposes ...nothingness to pare away the bones as of stone wishes for...electrical...doused wastage of flesh to caress...ablaze in the realms of echoing vacuum kisses...skinning the membrane of its quality until fade a silhouette...burnt light a kaleidoscope of excreta a severance of meat)...

...severance of distil in an effortless ablaze in shadow's realm where to sudden as if to outcry is to nothing of as speech eclipted dies down to murmur echoings through some absurdly locked to breach from ever less than having been in raw red rush of blood where fear to tread is of some behold catastrophic flood of echoing of distant rooms drowning of some excise to grip as of teeth to the throat cutting the air from vital all sung snared unto...

*... (a feast a fucking famine of remembrance vibration
 tones dead as never having to of mercury night fathomless
 abort of... the sky ripped asunder is to grit of teeth a
 focus upon where centre-stage is to bloody waste...
 evacuated broken shells of having been in shrapnel
 tears as was were... distances given to naught... digs
 deep into flesh the fragment of ice to pulsate in ravage
 silences... nothing of the spoken word of eclipse it long
 follow... utterance utter lack of all disclosure sung aloft
 from some bankrupt edge... skull X.d out... vacant
 stares collect as walls warp & shift & distance ever-
 of caresses the wound... bled haven of jagged terror to
 build in an offspring of prism catascopic... a rush of
 blood to the... nothing of of vocal broken of what as
 if to follow steel edge come to fore to sever... light X.d
 out... banquet ablaze in the tributary flesh... eyes melt
 as of blood upon dry sands ever to follow less than ever
 was before)...*

*...striation of wound to expel where countenance of
given atrophy is to break from listless obsolete given
to devour the sickness of as if to disclosure fathomless
absurdly cut of the lie breakage havoc dispel of rotting
syllabus from one dead air unto the next where silence
ever of some abort is to close upon the pulse gripped
by the sun it to climatise is to shadowing birthed as of
from one room to an other than as if to in absence of
silenced by...*

... (one singular breath to champion the finite lie as
 once till known of a smear of teeth catches in cold
 light... fingers warped by drought reach out into where
 to having been from the outset is no matter of... vacant
 attrition of blind weight some sarcophagus of dreaming
 hence as if to... insects to swarm in the realms of sleep
 division a caress of razor aptitude... flesh melts from
 the bones reveals the havoc of bone stricture... dense
 wind of shadow knocking upon the eyes as of slumber's
 silent echoings... fragrant distances stretch out across the
 floorboards an exhalation of silver smoke... lifeless all
 what given of to taste the attrition mark of sufferance
 lapse of to in nor of collision fathom... dawn to strike
 where to voiced of is no consequence... light extinguished
 utter dark... a theatrical motion of intrinsically devoid
 to break no ever of as will in which to ever of long
 shadow... silentium to caress a lack of bitter sting of
 haven lack where to of in now/ or)...

*...utterance of bled lack overture where to of is no
longing for ever of the bite of final excise skinned to the
teeth of silences burning cold weight of distance a candle
extinguished nothing of to be head vast underwater
skull where to break broke skin a-bled sudden as if to
recollect as the torn meat laughter of before scattered
dead lapse of unseen traces of lifeless pageantries through
what dim a doorway unto abandoned landscapes all
foreign as...*

... (scuttle of dead waste where to naught is of to bled
 a sky marked by the scar tissue of some foreign night
 ... effortless demise where to spell it all out is to burn
 black ice of forget it colourless... oceanic the edge of
 blood at the edge of discarded light... stones cast as of
 obsidian shards unto where to of what of it... from
 outset... nothing of which to see in a coil of detritus &
 shards of bone weight... eyes that turn from utter dark
 as in the upturn colours the like of which never before
 witnessed... black blood to seep from every orifice... a
 warp of flesh a burning effigy... steel to taste upon the
 tongue whereof what longing for nothing left of the
 marrow's edge... pared down the meat of it obsolete...
 ennui of broken lapse a drag of carcass to touch lights
 abandoned frozen in blind air... suspension of... walls
 what once of vacuum chamber no longer the of wish
 fulfilment... a final grip of an invisible sun to break
 upon where nothing of is to be)...

*...sufferance blind there is no light by which to view
the corpse of memory buried in the meat of collapse
dead tones of breathless turning throughout where to
vault is once stricken from the dusty sheets of silent
traces of nocturnes bled out burning in thick heat a
vulture's trace a foreign bleed eyes to touch where to
bone is to collapse of entity salve in autodestruct of
carved flesh turning upon a breathless close of wound it
unto shadowing...*

... (strips away the cadaver reclusion in the tar of broken glass & rust metallic silence of obscure detriment final as of some expel...teeth to bear down upon in thick white air perhaps smoke there is no perspective...one singular distance...never on yet to the brim of it solace of excrement rubbed into gaping wounds of tearing...a discharge a weighted breath...long corridors of absence lacking in exit signs...birthed terse into never having asked of it...lightless as...torn from one wound unto the next as if to avaricious...confessional vapours unto a silent audience...genuflects before a vacancy of shit...scattered bones of the once known altar before which to ejaculate...blood's trace to realm to bite down upon a cold dark chalice...septic light & the sting of alcoholic demise...nothing there...ever as...razor speech of the silent edge to caress as if to salve breakage nonchalance...it long done...it of forgotten laughter/ of)...

*...broken shadows in a collective of meat to bone to
tragedy lack of it turning upon where to of if not what
silence of throughout birthing the fleshed close of hour
upon hour as if to asphyxiate cold hours of exhalation
at the pitch of it black echoings of excise to response is
of in now what measure taken from to bleed of some
sarcophagus tears to shed breathless haven of desire for
the one thing adamant of light discarded as of refuse...*

... (shrapnel of the birthed once the unknowable traces
 of absence of where to bloom is to cut away the flesh of
 it given to silentium... sleep to burn of in bloody sweat
 a distance to breakage bone lights... effortlessly lack of
 colourings... a discarded carcass sinks into frozen waters
 the throat slashed... a child of time perhaps a mockery
 of... night to burn of in electric tidal opulence a reek
 of shit of some impaled lack of... aptitude... cold cut of
 to the bone to the marrow no blood to floweth of as of
 speech declaration lapse of light... trace of vapours tones
 of some forgotten chamber echoing of vacuum havens...
 solace emptily to burn of... a deserted landscape where
 to nothing of is to become... yet still yet shadowing as
 was ever no truce with the silence of it that emanates
 yet has no form... voiced dead from the onset of it...
 collision of extricate... till seeketh of what of till nothing
 of abounding in the null of being in an echoing desire
 for final as)...

*...of it to taste blind speech of the fading trail throughout
the flesh a stitch-mark interior of bled corpses silence all
the while till breakage from what spasm lightless abort
a turning of some effortless striate burning at the pitch
of dreaming vicious to expel it speech of none a long
distance of ever of nothing from which to turn from
eats of the broken body vocal as was once till closure
eye foreign as was once a traceless dreaming of what sky
to...*

... (spurious metals of disease... a razor's caress in utter dark... blind weight of a slash-mark promise given to disclosure remnants of cold air to stick in the throat's foreign bodily... shaft of light a broken jaw a broken column... stretches out an infinity of singular intent... a quarry of meat of sufferance... coal dust in the lungs some reaching purpose... silence all the while a nail driven into the membrane to convalesce as time's absence to reek of it a bitter solace from... nothingness forgotten a cold blank landscape of soundless tears... cuts close to severance the breathe of it to spill blood... dead tones of vital signs... pulse rotting spit of vacant absolve... fingers that recoil from the outstretched amber dissolve of... sees eye it forgotten... remarked upon some burning welt of silenced ever-traceless lacking any motion or origin... snared of throughout by hyenic laughter talon of the unsung... step non-trace... echoing footsteps)...

*...falls away the eye of which a silence of throughout
in some mercury dawning ever of to bleed as once was
breathe-d nothing of the cold broke solace shattered to
obsolete as given of the bone dust of a desire for nowhere
of distance of till stricken lapse a closed fist a torn from as
of eye spat out into some useless foraging given to having
been remarked upon burning to be in an absence of
what known nothing ever if nor what till close of it...*

... (builds from the absence of collision yet lack in utter
 of a spent force... a taste in the mouth of bitter ashes
 blood to spattered across the gait as echoing of it fade of
 light an absence of scene... dissipation of... detritus to
 define... shadowy nocturne of frozen blue mists across
 a lapse of distance... an open casket of loveless feeling...
 in damage seasons of... spits in the face of it cannot
 nor of broken haven... takes from what sense to collect
 the fragments of it... nothing of the matter to be...
 ever of the... traces of... blind lack of tumour eye...
 taken from... speech declaration of... nowhereon...
 dense recollect... savage the traces of through a decline
 of ever... a bodily flung to the emaciated rabid dogs
 of speech... skinned tidal oceanic... breathless as...
 laughter echoes throughout the silence an echoing of...
 distilled light to extinguish as if it ever was... nothing
 of the matter to... nothing ever if nor what of it/ an
 unsung devour)...

II

(...from the commence of never a light shone blacker than what once ever other than as fleshed of silenced as pageant nothing ever a rip of gnaw upon emptily enshroud in earthen calamity of blood never a step taken more than ever was before bleed all edge what foreign then nothing of it from out of distance what else to bare bear awake once less then less than ever given unto taste what helm of it discards & then another if it matter less than ever once then of cold shard of nothing as if to have of emptied out of presence no no nothing of that too close too close to touch it strips away to nowhere bound little choice but to all said what spoken of nothing of it yet of in nor of once more what matter if or other than that was ever once before

*else as of which reclamation of unto in lack of distill rips
shreds shadow lock of night irredempt colourless thank-
less space a blockade yet no nothing of that what as if to
whisper traces no speeches no all forgotten mimicry of
some vague distillate no no longer wishes to seared light
a foreign absence of sound lack in all its cannot lapse
light leapt closure no of wound bleed out of tidal weight
collapse deft breath devour no hope in hell grace as if
to ever no nothing there a hand that clasps eternal as
one is not second to go is first flog of some lack what
over then of some accord all spoke once more there goes
it tidal no yet given to speech reclamation in laughter
of some hung light afar afar that reclamation never of
where once to be*

*waste ground where now the closure of what given
 to beckon of as if to speak all days done for haven no
 what of till colourless maxity stray says no yet of what
 origin bulk of which weighted what of till tidal as
 forgotten nothing of see another there appear to be hours
 without wonder a drift of cloud across pupils long absent
 skylines all what sung as if to know barrage of silence
 severed flesh bone deep an absent frenzy of night & all
 that it obliterate of lack of frugal of poverty bones beg
 for change lights to obliterate as on it fathomless fleshed
 in or out yet never truly of collapse into what din
 speechless cycles of recurrence of silences stone nothing
 all it undone lapse what all in of what in nor of what
 foreign subtlety frozen as of which what dawn*

*silence of expel of intake of night to elapse where to once
 what of elect to din of soundless echo echo nullity blank
 space tone dead lapse of eye until whereby of fallen
 shadow long vacant ever of closure of some nothing
 ever there in an absence ofl where to recoil breakage no
 what term of dislodge collapse shudder shatter wordless
 soundless broken never answer tidal atrophic lapse
 what long & all what sung from derelict absolve lack of
 intake desire for once that never other ever than obsolete
 devour colourless in laughter of which a collision bathe
 in black waters closed shores where flesh abides all fallen
 forage no all forage fallen nothing to remark upon lapse
 all to having in dread of hour upspoke forgotten of in
 lapse of else some distance none*

*no there what once never as what yes or no cyclic as solace
ever in what else of which given to recoil where once was
haven of disclosure never of yet of where once all spoken
no yet yes as bleed it all from severance severed to bone
sharp reek all sung as if it were nothing of which zone
of which whereof till closure entity meat to unspoken
of redeemed till lapse what forage weight of eye where
breath once of whereof silence allwhile drag weight
what of echo-echo what of what now in of where to
be is to where none abounds parameter distance is shit
in one's shoes drag of it all have it all at a loss suffocate
of entity breathless a room lack taste wherein of which
where eye is of the stun forsaken spoken for forhow...)*

*...in an erasure of blind trace of it into taste of razor
ashes breathless as once known silentium of final edge...
of shattered lights collapse echo tremor forgotten bled
from*

*once sensed until foreign of or...trace of shadowing
upon meat no longer forage for in or of silence(d) as
was ever as once more...drag hence taken as of which
from out of*

now none...ocular roving colours trace of distance lack
where to have is to dissolve landscape of nothing/ ever
as...*

*...absent breath as all what fallen ever of some nothing
once sought finality of excursion as if there ever...given
to unto as if to never once lapse in thin light scars cast to*

*flame of which what or other of...forever night from
which to null & voidal collision into passage from flesh
to liquid traces...swarm lack to caress taken from what*

*speech dies down it to of which nothing of what better
of...excursion into lapse longing echo-faint as blood to
raw cold silence as of butcher's blade...*

*...as for of no nothing there in shades of night forage
follow of breakage of escapade eye alack...neither to
speak of cast aside as of debris scattered words upon*

*barren earth(en) final as before...tones of which that
clamour for half-light birthed from breakage point of
haven merely an end in sightless...it cannot be advance*

*where to sculpt of night cuts shadows upon bare fleshed
desired of silent as once known...spit of broken laughter
to terse nothing of it what claims to behold throughout
cracked glass prism...*

*...secrets to set to light in voidal incapacitate whereof
in lung set to light cancer flowerings gather in denuded
eyes...till dress what dawn in rags of disappearance*

*claimed from hence it bleeds unto throughout in or of...
silence tangent nothing of to broke is to stun dark haven
night where all is lapse lack of some design...long*

*forgotten an outset of foreign distance throughout where
fury pageantry closes its fingers as if to choke...noose
pilgrimage of scattered petals of frozen blood upon rind
of meat long distance absent of presence...*

*...wound's outcry is to be in or of what matter foreign
sun no matter fingers to reach for as lens fades to zero
eye...nothing to then of in throughout where to of is no*

*matter hence all is dead as final eyes...black tar to ever
know of it in closure of what lung's desire for cessation
all yet nothing for in taken of...of/ upon/ light to rot
as of in*

*throughout to trace where to have neither of nor either
if shaft closes in mind...as all what all that once was
soundless echoes in blind space in cataract design where
all dies down...*

*...elixir tidal of motion lack taken from given unto
electrical fury kiss of cold stone artery...dressage of
fallen sky upon where flail upon flail is to elected to
burn*

*blackened as...pares away throughout cold solace absent
reaching for of some nothing of in void dissolve...spills
blood of vocal eye never of throughout to reclaim what*

*matter of some absent longing for...it all done for says
of it in or of in final echoing from future tense as tears
to brim in eyes that have forgotten...*

*...hands fallen of it to never have ever once neither of
some reclaim colourless appeal...psychotic winds caress
where to fleshed is fleshed merely sickness of to thrash in*

*shattered membrane...terror at/ at pitch bleak haven
asked of no not a nor of nor else nothing of which to
lay claims upon...salt in wound of vacant attrition
another*

*pulse another escapade of bedamned lights...in an
escapade of shit where only of it to be redeem of solace
nocturne closes it hyenic flows freely...*

*...all locked to echo's dim forgotte(n) seal of eye there
another here another in vacuum chamber undefined
...ever to of nor naught reclamation distance of which
till*

*close of hour slashed through given to expire...nothing
of it of in what else to follow in drench accord close of
hour to sever once again...it long dead as of ever said
once then*

*thrice distant all as nails dug into flesh to grip a vulture
tearing...as all in weightless flow of eviscerate of
nothing where to closes wound drag of heels throughout
as if to...*

*...in an obscure end of flight what locked to meat long
shadow fallen to nor if in out of fury pageant closes...
burns of ending in an effortless disregard where*

*to strip from lock of eye trace of electric pulse not a...
till burn what of there is no trace of want for better
excursion taken by maggots what are nor of which...
all what gripped*

*throughout a vellum parchment drags alongside where
to dense weight lightless abort...all sung for some stretch
of spel'cial never to be defined as floweth counter-throw
taken by non-sight...*

*...unspoken hours to claim whereof till bitter pips spat
out in gait of unrefined stone decree...all solace never
once breaking from hilt till shattered glass overtures
made to*

*unto if at all nothing more...never of whereby what
of cold light to rot & ultimate disintegration a throat
slashed ...ever of to/ not a word no not a trace where
spoken by*

*is of some corrupt blind effigy whispers in utter null ...
what or if no matter of it till close of wounds for some
syllabus reflect given to distance no nothing ever as...*

 sound given to retracel/ tracel/ seasoned from pitch bleak
 lightless till given night/ in vertigo snap/ all/ sound
 simulations gripped by breathless/ soon to dissipatel/
 songs of un-being/ traceless violet songs in bloom/
 distillate to point of never having been/ all purpose
 shredded/white lung till breakagel/ a shattered tongue
 frozen of inept/ in echo chamber/ steel's lament rips
 pulse meat flowers from given density/ on and on it/ till
 risen once more/claiming that it can/ what sight what
 sound/ not a vulture's intricacy/ a shed of rat-black teeth
 in vocalisel/ given to unfall unto/ bitter shards bite the
 eyes of sounding/ yet no lament for given loss/ white-
 washed wall/stare.../...ash unlock/ blind wither claim
 nothing lapsel/ else no treasury what nothing settled
 breath/ unsettled/ broke catascope undue rigour/ breaks
 none of lapse sequential/ sound basking in sound off/
 reverberate of unknown viewed from an externus/ it/
 vocalised as if to/ endless streams of sound reverberating
 from/ surrounding ever unknown known yes or know/

*no/ if quantify/ sound bile dream ejaculate of voice/ this
 is sunlight it/ un-sound of which the dissipating trace/
 inhaled to touch nothing/ silenced once more/ coloured
 by corners/ blind lights/ none abounding/ sound
 evacuates of its own voice/ shears black/underwater
 skull/ prism promise of trace/ vapour lights/ excavative/
 echo-echo nothing/ remaining/ shutter snap down/
 escapade/ wind ice tunnel off dense what/ sound what/
 interpretive alignment/ (says what it does not know
 what it knows not in silent reek of inutterable bound)/
 evacuates break stone blind fed none/ subtle break/ in
 dead as lung/ sound wither/ scattered shrapnel tines/
 abandoned to silence/ still yet silences spoken of in wilt
 of sound/ overture of nothing claimed/ frozen in/ clasp
 weight lack off not...white ash of sound/ settling un-
 silenced/ silenced in/ fundamental as shit/ inconclusive/
 yes or no/ it posits as if to indent/ not a trace yet in blood
 pierces eye's unfold/ escapade lock/ stripped from out of
 echo/ glimpse in which/ knocks/ rejected by unseen un-
 sound/ nothing claimed/ not a step nor murmur/ none
 all stripped welcoming nothing more/ being nothing
 more in-sound/ yet utters what it can/ as if to parry/ it
 cannot/ so back then to utter blind/ light non-sound/
 words terse/ no not fleshed it/ if it/ satiates nothing/ in
 bleed of lapse from until timeless/ once again...)*
