THE ABSURD FADE

Michael Mc Aloran

ERRATUM PRESS

*...as of all what once of the return of lapse in the dim
cast echo strain of reclamation no other than from forage
nothing to turn from edge cold lack of absent distance
a foreign skyline to illuminate the surface solace walls
warped in shadowy devour edge what once unto fade to...*

*...steps neither thereof what other than of no recoil
stance glint of cold glass surface fingers to trace upon
from the nothing by which to observe a burn-white a
lightless forage of eclipse as if once till turn of in return
for what lapse given nothing ember what once composed
of what...*

*...as of in vocal fossil night a demarcate of burnt
oceanic breeze where no horizon visible breathless to
haven to lock once drag of all bled of traipse nothing of
the matter which drag terse colour it this as if to once
utter close of stretch till cast asunder stray bone bite
snare of lack hyenic...*

*...all what then it was of the denounce(d) cast emblems
nothing's breath a silent discourse an edge of sudden
in outcry of spent bones ever to recall through desolate
tide whereof null lapse worship untoward distance no
end once was spoke(n) once till thrice semblance the
like of which...*

*...as fade till bled once semblant colour lapse what
shadow of skinned till stray what claw to blunt recoil of
sudden in outcry forage fallen once it-done with havoc
ever of till bleed what lights stray of ocular redempt lack
no impaired sight vague null what other than what
once was to...*

*...burnt white light of nullity an exactitude absent of
where tread divulge of distance ever as of nothing as
before where what once wish all spoken collapse what
null reclamation solace breach it once ever dreamt of
cold breath to follow into sunk dredge nothing taste
ever end unto...*

*...coil cold dust shadow ache claim it-speak collapse
blind weight of eye rot slow broke stone tide once hollow
ash dense reclaim of echo-dream fade nothing to come
sting furtherance blind tide & the lock of to return to
forget it forgotten all emblem fade of bounty ever...*

*...in-burn of breath sudden of night flash meat to
reveal in pageant closure mutilate of voiced bile dredge
hollow blood in mouth extol where foreign if nor said
what once gather of moss flood a redeem a nothing an
amber light to caress of open plane another want of
zero dredge...*

*...sleep origin of breathe what once eclipt of dissipate
crack in door to spill the light of lapse lay dead play
dead as dust upon silken shadow echo-striate of lapse
of deaf till hollow of redempt nothing closure learn
unlearn as if to strip night's colourings were to truly
ever of the recollective...*
