

Last: _____ First: _____ Block: _____

Exit Ticket Questions

1) Why is PPE important when handling materials such as bleach? How did you develop a process to safely use bleach in the classroom while working with the T-shirt design? Briefly explain.

2) Explain how you used Value and Principles of Design in your T-shirt Design? *(List the 3 main principles of design you use to create unity in your composition and Explain how they worked in your design.)*

3) *Tell me about your success with the project and areas of difficulty. What are areas of **growth** and areas of **glow**? What would you do differently if you had the opportunity to do this type of project again?*

Rubric

| | Advanced 4 points | Accomplished 3 points | Emergent 2 points | Needs Support 1 point |
|---|---|---|---|--|
| <p>Value</p> <p>Student has applied a range of value within their design.</p> | <p>Student has developed an advanced understanding/sense of contrast as evidenced by an extensive range of values within their design.</p> | <p>Student has developed an understanding/sense of contrast as evidenced by a wide range of values within their design.</p> | <p>Student has developed a beginning understanding/sense of contrast as evidenced by some range of values within their design.</p> | <p>Student has made little effort to create a sense of contrast in their work, and they will need support to create a wider/ effective range of values.</p> |
| <p>Composition</p> <p>Student has organized and created a t-shirt design that uses principles of design.</p> | <p>Student has a strong understanding of the Principles of Design such as:</p> <ol style="list-style-type: none"> 1. contrast 2. repetition 3. emphasis 4. unity <p>Student demonstrated all four Principles of Design.</p> | <p>Student has a good understanding of the Principles of Design such as:</p> <ol style="list-style-type: none"> 1. contrast 2. repetition 3. emphasis 4. unity <p>Student demonstrated three Principles of Design.</p> | <p>Student has showed some understanding of the Principles of Design such as:</p> <ol style="list-style-type: none"> 1. contrast 2. repetition 3. emphasis 4. unity <p>Student demonstrated two Principles of Design.</p> | <p>Student has shown little to no understanding of the Principles of Design such as:</p> <ol style="list-style-type: none"> 1. contrast 2. repetition 3. emphasis 4. unity <p>Student demonstrated one Principles of Design.</p> |
| <p>Safety</p> <p>Student demonstrated safe use of the medium bleach and the project tools.</p> | <p>Student followed all recommended PPE precautions:</p> <ol style="list-style-type: none"> 1. wear goggles 2. use gloves 3. wear mask 4. work in ventilated area 5. keep area clean to avoid spills and messes | <p>Student followed most recommended PPE precautions without reminders:</p> <ol style="list-style-type: none"> 1. wear goggles 2. use gloves 3. wear mask 4. work in ventilated area 5. keep area clean to avoid spills and messes | <p>Student followed some recommended PPE precautions without reminders:</p> <ol style="list-style-type: none"> 1. wear goggles 2. use gloves 3. wear mask 4. work in ventilated area 5. keep area clean to avoid spills and messes | <p>Student took little to no proper PPE precautions without reminders:</p> <ol style="list-style-type: none"> 1. wear goggles 2. use gloves 3. wear mask 4. work in ventilated area 5. keep area clean to avoid spills and messes |
