Subject: Follow up letter concerning new Tiny Township Administration Centre (TTAC)

Dear Council and Tiny Taxpayers,

On September 16, 2024, the BCAG presented an open letter of factual pros and cons concerning the proposed new Town Hall in Tiny (TTAC).

The letter presented factual pros and cons pertaining to the project. The pros and cons were carefully vetted by both the opposition party and the Council promoting the build. The budget numbers and tax implications were confirmed by Council.

This letter was carefully reviewed by our membership. Citing poor process, lack of transparency, enormous costs, and future tax increases at 3 to 4 times the rate of inflation, our membership has overwhelmingly rejected the proposed build.

At the behest of our membership, the BCAG, Bluewater Georgina Wendake Beach Association (BGW), and Bluewater Dunes Ratepayers Association (BDRA) cannot support this project in any way.

Yours truly,

Bluewater Community Action Group (BCAG)
