

WELCOME TO THE WORLD OF STEEL

——— *For Your Life Style Solution* ———

MODULAR KITCHEN | WARDROBES | BARS | VANITIES & MUCH MORE

About Ferro Designs

We are among the first few leading companies pioneering the concept of stainless-steel interior solutions. We design and fabricate unblemished ,customized stainless-steel modular kitchen, wardrobes and vanities.

We are dedicated towards redefining stainless steel interiors with durability and sustainability with a touch of elegance. We value our customers, their needs and offers you unprecedented concepts of designs.

We look forward to liberate our home makers from noisy ,clumsy, unhygienic kitchens and also to provide them new customized, convenient, termite and insects free 100% waterproof kitchens, wardrobes and vanities.

Our motto is "Providing stainless steel to masses ,not just for classes" this making it affordable for all.

So, treat yourself with a quintessential lifestyle stainless steel products.

WHY GET A MODULAR KITCHEN?

AESTHETIC APPEAL

*A Modular kitchen has a clean and contemporary look.

Functionality

With state of art accessories, appliances and hardware, a modular kitchen is highly functional.

Cooktop

Chimney

Wine Cooler

Fridge

Hob

Dishwasher

Oven

Durability

People use their kitchens for 12 to 15 years at least. Modular Kitchens are durable and long lasting.

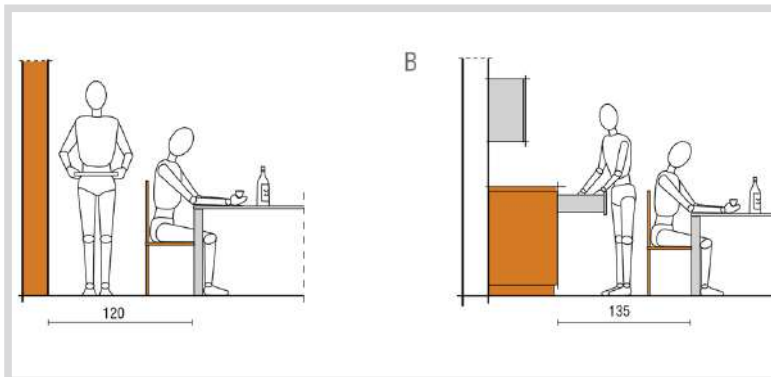

CUSTOMIZED STORAGE OPTIONS

From thali baskets to spice pull-outs to tall units, kitchens offer storage options for every requirement.

Ergonomics

Modular kitchens are designed to minimize strain on the body. further more, they are designed according to the kitchen work-flow.

Customization

Right from accessories to shutters to the hardware, you can customize your modular kitchen as per your needs and aspirations.

WHAT ARE THE MOST ESSENTIAL MODULAR KITCHEN ACCESSORIES?

Pantry Pull-Out

- Houses dry food items, staples, spices and oils
- Stores essential appliances
- Keeps things tucked away but at easy reach

D-Shaped Carousel

- A disc shaped rotation carousel
- Utilises the dead corner space
- Stores your everyday serveware/condiments

Magic Corner Unit

- Utilise every inch of deep corner spaces
- Houses non-sticky utensils
- Stores less-frequently used appliances/ utensils

Spice Pull-Out

- Narrower than oil-pull out but with more compartments
- Holds small jars and bottles of spices
- Best used if you don't want wall units

S-Shaped Carousel

- Ideal to store frequently used crockery/utensils
- Makes optimum use of dead spaces to give you extra storage
- S-shape swivels out of the corner making items easily accessible

Pegasus wall unit

- An in-built tray to store small & large plates
- Ideal for short people
- Lets you access the entire contents of the unit as you pull down the tray

WHAT ARE THE MOST ESSENTIAL MODULAR KITCHEN ACCESSORIES?

Oil Pull-Out

- Stores frequently used store breakable oil bottles, sauces, glass bottles or containers
- Great for narrow and small kitchens
- Built near the hob unit for a hassle free cooking experience

Cutlery Organiser

- Used inside drawers to organise everyday cutlery
- Can be used to organise spatulas, ladles, knives and skewers too
- Can be adjust with movable parts to fit any non-standard cutlery

Swing Larder

- Stores frequently used store breakable oil bottles, sauces, glass bottles or containers
- Great for narrow & small kitchens
- Built near the hob unit for a hassle free cooking experience

Bin Holder

- Attached to cabinet doors beneath the sink
- Used to dispose dry & wet kitchen waste
- Hidden away yet provides easy access

Dish Pack

- Keeps small dishes organised
- Stack container lids
- Hold dishes to stand up and drip dry to prevent water spots
