## Personal profile

I am a **singer-songwriter** and **producer**. I released my first album "Regalar" in 2022, an indie acoustic EP, completely self-written and self-produced. I interned as an audio engineer for Medusa Studio in Barcelona, whose clients include Shakira and Rosalía. I got a master's degree in Creative Music Production from the Institute of Contemporary Music Performance in London, while taking projects in recording, mixing and live engineering. I have extensive musical training, mainly in vocals but I also play guitar and piano. I am a curious person, also interested in science and hold a bachelor's degree in Psychology and a master's degree in Cognition and Behavior Research.
