TECHNICAL PRODUCTION SUPERVISOR

ENCORE GLOBAL at GAYLORD ROCKIES | FALL 2022 – SPRING 2023

Supervisory role in corporate AV, lighting, staging and crew operations across 350,000 sq ft of event space, four ballrooms, and over 30 meeting spaces.

- Managed equipment pulling, prepping and setup as well as the technical team timelines and task coordination.
- Production oversight of audio, video, lighting, and staging integration to meet creative and technical objectives for corporate, social, and entertainment events.
- Directed cross-functional technical teams from pre-planning to load-out, ensuring collaboration, accountability, and adherence to service standards.
- Selected, deployed, and operated complex tech systems with full adherence to safety and industry standards.
- Resolved on-the-fly technical issues with professionalism and speed, minimizing disruption during live events.
- Ensured compliance with safety regulations while fostering a professional, client-focused environment.

EVENT PRODUCER

DAPPER EVENT DESIGN | DEC 2023 – JULY 2024 | DMC & CORPORATE EVENTS

Event production focused on destination management companies like PRA, ACCESS, E5, and Imprint bringing corporate activations and business events to life.

- Planned and executed event production projects including budgets, timelines, and milestone tracking for scenic and décor builds.
- Managed on-site event operations, providing real-time troubleshooting and implementing client-directed changes.
- Supervised on-site trained teams of 15–20 staff, ensuring clear delegation, onboarding, and safety compliance.
- Coordinated daily event floor flow, crew assignments, and resource allocation based on evolving needs.
- Conducted daily floor operations and walk-throughs with technicians, talent, and production staff to align schedules and workflows.
- Supported labor planning, scheduling, and team briefings with emphasis on technical coordination.
- Ensured equipment inspections, documentation, and inventory were current and audit-ready.
- Maintained clear communication systems across production teams, venues, and stakeholders.
- Scheduled and participated in site meetings, rehearsals, NDA-restricted events, and BEO reviews.

LOCAL PRODUCTION CREW

RHINO STAGING | 1998 – 2006 & APRIL 2025 – CURRENT

Supporting national touring productions, concerts, festivals, and arena environments as local production crew.

- Load-in and load-out staging equipment, lighting, audio and video systems.
- Rig and secure trusses, motors and chain hoists for lighting and scenic elements.
- Build, level and strike stage decks, platforms and guest safety devices/systems.
- Troubleshoot on-site technical issues and assist with cue-by-cue show operations.
- Collaborate with touring departments, electricians, grips, and production teams under demanding timelines.

FLIGHT ATTENDANT | INFLIGHT UNION REP.

SKYWEST AIRLINES INFLIGHT ASSOCIATION | 2007 – 2020

Reinforced a guest-first, safety-forward culture, maintaining calm, consistent execution under pressure and supporting excellence in flight and ground operations.

- Served as the Policy and Safety Union Representative, researching, drafting, and presenting policy proposals to the SkyWest Inflight Association board.
- Advocated for crew member needs and concerns, collaborating with senior SkyWest management on policy negotiation, implementation, and compliance.
- Elected voting member of the in-house union, contributing to governance, decision-making, and organizational direction.

CORE STRENGTHS

Strong customer-facing communication with executives, planners, and presenters

Ability to manage multiple departments and vendors to ensure seamless show flow

Expert-level understanding of live event infrastructure, rigging coordination, lighting, audio, video, and projection

Comfortable leading small to mid-sized teams in hotel and corporate environments

Safety-first mindset with strong organizational discipline

Calm, professional, and solutions-oriented under pressure

Consistently recognized as a dependable partner with strong follow-through, integrity, and excellent client experience

TECHNICAL CAPABILITIES

EDUCATION

BFA – Experience Design, Production & Management 2003
California Institute of the Arts (CalArts)

Ranked among the top 5 universities in the United States.

DESIGNING HUMAN EXPERIENCE THROUGH SYSTEMS, STORYTELLING & OPERATIONS

Where creative vision, technical execution and guest engagement intersect to deliver meaningful, seamless experiences.

CORE STRENGTHS

MULTI-PROJECT MANAGEMENT

Expert at running parallel timelines, vendor networks, and cross-functional teams under pressure.

CLIENT COMMUNICATION

Consistently praised for professionalism; earned 30+ written commendations.

TECHNICAL TO DESIGN TRANSLATION

Deep understanding of how design intent translates to real-world production — from concept through strike.

DESIGN-DRIVEN EXECUTION

Translate creative vision into seamless execution across the full event lifecycle.

PROJECT PLANNING & LEADERSHIP

Developed plans, managed budgets, led teams of 15-20 in high-pressure environments.

EXPERIENCE DESIGN

Integrated thinking. Flawless execution. Memorable impact.

EVENT PRODUCTION

- Max & Livie Event Design
- Dapper Event Design
- Encore Global
- Rhino Staging
- The Factory
- Circus Disco
- RAGE · ReelWorks
- Tracks

DESIGN COORDINATION

- Vendor Management
- Venue Layout & Logistics
- Lighting & AV Integration
- Décor & Theming
- Budgeting & Timeline Management

TECHNICAL OPERATIONS

- Lighting Design
- GrandMA Console
- AV & Staging
- Broadcast & Live Production
- Cue Programming
- System Integration

TEAM LEADERSHIP

- Lead & Mentor Teams of 15-20+
- Clear Delegation & Onboarding
- Safety First Environment
- Cross-Functional Collaboration

CLIENT EXPERIENCE

- High-Touch Client Relationships
- 30+ Written Commendations
- Service Excellence
- Anticipate Needs
- Build Lasting Trust

LOGISTICS & EXECUTION

- Load In / Load Out
- On-Site Execution
- Warehouse Management
- Timeline Adherence
- Flawless Strike

SAFETY & COMPLIANCE

- Safety Standards
- Risk Management
- CPR / First Aid
- FAA / DOT Awareness

OUTCOMES DELIVERED

MEMORABLE EXPERIENCES

Elevating every detail.

CLIENT TRUST & LOYALTY

Built through results and reliability.

OPERATIONAL EXCELLENCE

Precision in planning. Perfection in execution.

CREATIVE IMPACT

Design that connects and inspires.

CALM UNDER PRESSURE

Solutions when it matters most.

ADAPTABILITY WORLDWIDE

Domestic and international environments.

SYSTEMS. PEOPLE. STORY. EXPERIENCE.

Every detail designed. Every moment delivered.
