THE HERITAGE OF THE JOGLO

TRADITION. CRAFTSMANSHIP. TIMELESS BEAUTY.

The Joglo is more than a house, it is a legacy. Handcrafted from authentic antique teak, each structure carries the soul of Java's heritage and the warmth of tropical living.

AUTHENTIC ANTIQUE TEAK

We carefully select and restore century-old teak from historic Javanese homes. Every beam, column and carving is a piece of history, reborn to create timeless living spaces.

CRAFTED BY SKILLED ARTISANS

1. SELECTION

Carefully selected antique teak from heritage buildings at least 80-150 years old.

2. RESTORATION

Every piece is cleaned, restored and prepared with traditional methods.

3. HANDCRAFTED

Skilled craftsmen shape, carve and assemble each piece with precision.

4. ASSEMBLY

Traditional joinery system is assembled with expert techniques.

5. COMPLETION

A timeless Joglo ready to be part of your story for generations.

SUSTAINABLE RECLAIMED WOOD
Giving new life to heritage teak.

100% HANDCRAFTED
Using traditional tools and time-honored techniques.

DURABLE & STRONG
Built to withstand tropical climate for generations.

TIMELESS DESIGN
Classic Joglo architecture that never goes out of style.
