### CAPABILITY NARRATIVE

ML3 Logistics Solutions LLC is a certified small business headquartered in Columbia, South Carolina. Since 2017, we deliver safe, reliable, and scalable logistics services nationwide. Our expertise spans freight, heavy haul, hazmat, and emergency response, supporting infrastructure, construction, and public works projects. Operating independently while leveraging our partnership with Landstar, a premier transportation network, ML3 combines nationwide capacity with small-business responsiveness partnering with public agencies, prime contractors, and fellow small businesses to provide efficient, compliant, and scalable solutions for projects of every size.

### DIFFERENTIATORS

- **Infrastructure Expertise:** Proven ability to support bridge, highway, and site development projects with specialized transport.
- **Emergency Response Ready:** Rapid mobilization for FEMA, state, and private-sector disaster relief operations.
- **Nationwide Reach, Local Care:** National capacity with the responsiveness and flexibility of a small business partner.
- **Turnkey Logistics Management:** End-to-end coordination, including route planning, permitting, and load execution.
- **Proven Performance** Trusted by Fortune 500 corporations, federal and state agencies, and small business partner for dependable service.
- **Collaborative Approach:** We manage every engagement as a partnership, ensuring reliable results and shared success.

### PAST PERFORMANCES

**Heavy Haul | Construction** - Managed oversized loads, permits, and site access.

**Emergency Logistics** - Provided material transport for FEMA and state agencies.

**Hazmat Relocation - Fort Jackson**  
Arranged and managed the secure and compliant transport of sensitive materials.

**Cross-Border** - Coordinated international freight from the US to Mexico.
