Materials

BETALY

Made from a selection of cements, fine marbles, quartz and river sands to create a durable and environmentally friendly material.

Suitable for outdoor environments and naturally frost resistant.

CRISTALY

A non toxic, non-flammable plaster material.

Also has powerful antibacterial properties, which also repels dust.

Easy to paint to any finish via water based paints.

CERAMICA 9010

Made from mineral clays.

Skilled workers shape the ceramic by hand without distorting the final product.

High UV and thermal resistance.
