

Company Profile

# Who we are

Red Studios is a graphic design, web and signage company situated in Middelburg, Mpumalanga. Within its structure the company also houses a clothing department with a specialty of manufacturing corporate wear. The company has young and experienced staff that will provide you with world class service that will see you leave your mark in your respective industries. Our portfolio covers a wide range of services that include designing, branding, advertising, consultancy, printing, signage, clothing manufacturing and general supplies (that include but not limited to stationery supplies, corporate gifts and PPE)

The mission is to shape mindsets in branding and visual communications in Africa and this will be done through providing quality service and products all the time. We believe that the company is run by people who have acquired the necessary skills to help your brand to the next level.

## Our Services

**Design** – This is the basically a creative process of taking a customer s brief and turning it into an artwork. This includes design of Logos, company stationery, banners, presentation documents etc.

**Consultancy** – We provide consultancy for companies mainly for design briefs, printing and product applications and use.

**Advertising** - Our strong hold is on print based media. This envelopes conceptualization, photography and the actual design of print adverts.

**Printing** – Our printing is quite broad. We specialize in paper fed printing, wide format printing and garment printing.

**Signage** – We also a strong background in signage. These range from billboards to office visibility signs. These also come with or without lighting.

**General Supplies** – the company is also supplies stationery, corporate gifts and PPE for governmental and non-governmental organizations.

**Corpoarte Gifts-** Lastly we also supple branded corporate Gifts. These include eletronical, Cutlary, Apparel and bags.
