JESSE JAMES MORRISON openly stated that he knew he had deodorant, his girlfriend's panties and some miscellaneous clothing in the backpack along with his paystubs. JESSE JAMES MORRISON stated to Your AFFIANT that the backpack was stolen in an unreported vehicle trespass. He stated this only after he was told by Your AFFIANT that the backpack was located in the back seat of a stolen vehicle.

<b>Date of Report:</b>	March 31, 2015	<b>Investigated by:</b>	Justin Atwood
<b>Date of Offense:</b>	January 10, 2015	<b>Submitted to CBI by:</b>	Kristi Jauken

### Involved Subjects

<b>Victim:</b>	Timothy Jon Cought	<b>DOB:</b>	[REDACTED]	<b>SID:</b>	
<b>Unknown:</b>	Jesse James Morrison	<b>DOB:</b>	11/26/1995	<b>SID:</b>	2622964

CBI Item #:	Agency Item #:	Description of Evidence:
Item 1	JMA-1	2 Fingerprint Cards with Latent Prints, Black Card with Silver Dust
Item 1.1		One latent lift card recovered from "driver's side door"
Item 1.2		One latent lift card recovered from "hood"
Item CD1		One CD containing five images of Morrison's tenprint record, item 1.1, and comparison notes

### Results/Opinions and Interpretations:

Two latent fingerprints (1.1-01 and 1.1-02) suitable for comparison were observed on item 1.1.

No latent prints suitable for comparison were observed on item 1.2.

Latents 1.1-01 and 1.1-02 were entered into the state database and candidate lists were generated. Based on these lists, latent 1.1-02 was compared and identified to the right thumb of record fingerprints bearing the name of Jesse James Morrison (SID 2622964).

Latent 1.1-01 was also compared to record fingerprints bearing the name of Jesse James Morrison, with inconclusive results due to the limited correspondence of ridge detail. Latent 1.1-01 was retained in the state database and will continue to search against new records entered into the database. If an identification is made in the future, the submitting agency will be notified.

Item CD1 will be returned to the submitting agency.

Case Origin

Radio dispatched.

Initial Information

On 011015 at approximately 0521 hours, I was radio dispatched to the address of 807 7th Street in Berthoud, Colorado. LAURA LEE CUTRIGHT, DOB: [REDACTED] called to report that her vehicle had been stolen.

Contact with LAURA

Upon arrival at the address of 807 7th Street I contacted LAURA and TIM JON CUTRIGHT, DOB: [REDACTED]. LAURA informed me that on the night of 010915 she parked her 2003 Ford Focus bearing Illinois license R218741 on Lake Street, on the south side of their residence. She informed me that when she went out to her vehicle at 0520 hours on 011015, she discovered that her vehicle was no longer there.

Vehicle Information

LAURA described the vehicle as a gray 2003 Ford Focus. She stated that it was a four door sedan and that it was missing the gas door. It was also described as having a cracked windshield. LAURA informed me that on the night of 010915 she parked the vehicle, but did not lock the doors. LAURA also informed me that the vehicle had a broken off key in the ignition and that the vehicle could be started by turning the ignition.

Suspect Information

The CUTRIGHTs were unable to provide me with any possible leads on a suspect in this case. They stated that they do not know anyone in town and have not had any problems with neighbors. They also informed me they have not noticed anything suspicious in the area or near their house in the recent past.

I performed a neighborhood canvass of the area, which yielded no results. I was unable to contact anyone in their residences. I attempted to contact residents of three houses which had interior lights on; however, none of the residents answered their door.

I searched the area that the vehicle was parked in and was unable to locate any evidence of the crime or generate any leads in possible suspects.

Vehicle Disposition

The vehicle was entered into NCIC/CCIC (National Crime Information Center/Colorado Crime Information Center) as stolen on 011015.

TIM CUTRIGHT located his stolen vehicle in front of the residence of 1005 Franklin Avenue, Berthoud, Colorado. The window on the vehicle was down and there was a very strong odor of bleach coming from inside the vehicle. The front right tire was flat and there was damage to the rim. There were small dents in the under area of the front right wheel well and dirt scrapes. There was loose dirt and mud on the sides of the vehicle. It appeared that the vehicle was driven through an unknown field. There was a large amount of bleach inside the vehicle saturating the drivers seat and on the dash. There did not appear to be any other damage to the vehicle according to Mr. CUTRIGHT. There was a gray backpack with red zippers and is the name brand of "All Around Roustabout" in the back seat. Mr. CUTRIGHT was unsure if this was his sons and was unable at this time to contact his son to find out.

Deputy ATWOOD responded to the scene as the evidence technician and processed the vehicle. The vehicle was removed from CCIC/NCIC and turned over to Mr. CUTRIGHT.

Case Status: In Suspense

On 011015 at approximately 0922 hours, I responded to 1005 Franklin Avenue, Berthoud at the request of Deputy KEVIN KINGSTON. Deputy KINGSTON was standing by with a reported stolen vehicle and requested my assistance with recovering evidence. I responded to the scene and met with Deputy KINGSTON. I observed the vehicle which was a small grey colored Ford Focus. Inside the vehicle, I observed that there was a very strong odor of bleach coming from the vehicle. I took overall, medium range and close up photographs of the vehicle. I obtained a total of 28 photographs from the vehicle and scene including the physical damage to the front passenger side. I then applied silver fingerprint dust to the exterior of the driver's door and the area around the front hood and passenger fender where the damage was. I collected several latent prints on lift number one from the driver's door. I also was able to locate one latent print on the hood of the vehicle near the passenger side. I also collected DNA swabs of the latent prints on the driver's side door. For my safety, due to the overwhelming strong odor of bleach coming from the inside of the vehicle, I did not enter the vehicle to process the inside of the vehicle. The above evidence was logged at the Larimer County Sheriff's Office and a request was made with the Colorado Bureau of Investigation for processing of the evidence that I collected. Please see the attached forms for further information.

#### Initial Information

I had received information from Mr. CUTRIGHT who advised that the backpack that was located in the backseat of his stolen vehicle was not his son's and he did not know who it belonged to. This backpack was turned over to Deputy HOBSON per my request.

#### Identifying Paperwork

Upon looking into the backpack, which was a gray backpack with red trim where each of the zippers were the color red, there was stitching of "all around roustabout" on the front of this backpack. I unzipped every compartment in the backpack looking for identifying paperwork for whoever the backpack belonged to. In the backpack I located a deodorant stick a pair of socks, a pair of women's panties and two pay stubs. The pay stubs listed to the name of JESSE J MORRISON. There were no other items located inside this backpack.

#### Warrant Information

I checked law enforcement records for a JESSE J MORRISON and located a JESSE JAMES MORRISON, DOB: 112895. On the pay stub it gave an address of 835 8th Street in Berthoud, Colorado, as a home address for JESSE J MORRISON. Upon looking in law enforcement records I located a JESSE JAMES MORRISON at that same address with that date of birth of 112895. Upon checking JESSE JAMES

### Narrative

MORRISON's driving history along with a criminal check, I located a felony failure to appear warrant for criminal impersonation and second degree trespass for Mr. MORRISON and Mr. MORRISON was a revoked driver for alcohol.

#### Contact with MORRISON

Corporal REIFSCHNEIDER and I went to the address of 835 8th Street in Berthoud, Colorado, to make contact with Mr. JESSE MORRISON. Upon knocking on the door I was met by Mr. MORRISON's father. I asked him if JESSE was at home. He stated that he was downstairs asleep. I asked Mr. MORRISON if JESSE was home approximately two evenings ago. He stated that he was. I asked him how he knew he was home in the middle of the night. He explained that on 011015 at approximately 0130 in the morning he heard his son JESSE arguing with another friend of his. I asked Mr. MORRISON if his son owned a gray backpack and he stated that he did not believe that he did. Mr. MORRISON then went to the downstairs area of his residence to retrieve JESSE MORRISON.

A male subject who I had already identified through a booking photo appeared out of the kitchen from the downstairs apartment area. This was JESSE MORRISON. I requested Communications to confirm the warrant, which Communications did confirm the warrant. I advised Mr. MORRISON that I was there because he had a warrant and he told me that he already knew he had a warrant. Mr. MORRISON then requested that we go downstairs so he could retrieve his phone. I walked with Mr. MORRISON downstairs. Mr. MORRISON continued to get dressed and grabbed his phone. We had Mr. MORRISON leave his earrings along with any other jewelry and bands at the residence. I did a pat down on Mr. MORRISON and did not locate any items or paraphernalia.

#### Arrest

I advised Mr. MORRISON that he was under arrest for his felony warrant and he told me that he understood. Mr. MORRISON was taken into custody without incident. His hands were placed behind his back. My handcuffs were placed on his wrists and my index finger fit between the wrist and the handcuff. Mr. MORRISON was then escorted to the backseat of my patrol vehicle where he was secured.

#### Interview with MORRISON

After removing Mr. MORRISON from his residence I transported him to the Berthoud Town Hall with Corporal REIFSCHNEIDER. Once inside my office I un-handcuffed Mr. MORRISON. I had Mr. MORRISON sit down at a table. I advised Mr. MORRISON that he knew he was under arrest for the warrant. He told me that he did. I again advised him that it was for the warrant and the warrant only and he told me that he understood that. Mr. MORRISON asked me how I had his backpack when he observed it in the backseat of my patrol vehicle. I asked Mr. MORRISON how his backpack got inside of a stolen vehicle. Mr. MORRISON explained that his backpack was stolen from his friend's car "a couple days ago." Mr. MORRISON explained that inside his backpack he had multiple clothing items. He explained that he had a pair of skinny jeans along with a jersey and some miscellaneous clothing. He also explained that he had a pay stub that was inside the backpack. I asked Mr. MORRISON why his backpack was in the backseat of a stolen vehicle. Mr. MORRISON stated that he did not know. I explained to Mr. MORRISON that we had located fingerprints on the vehicle. Mr. MORRISON again stated that he knew nothing of the stolen vehicle. Mr. MORRISON was adamant that he did not steal the vehicle and was never inside of the stolen vehicle or anywhere around the stolen vehicle. I asked him if the fingerprints recovered on the vehicle were going to match his and he told me that they would not. I, again, asked Mr. MORRISON why he did not report his backpack being stolen from another friend's car. He told me that he knew he had his warrant and did not want to notify the police because he knew he would be arrested. He also stated that the only thing that was in the backpack was some clothing and that he did not miss that if it was the only thing that was stolen.

#### Re-Arrest of MORRISON

After speaking with Mr. MORRISON, and his denying any knowledge of the stolen vehicle reference case

Case Status: In-Suspense

I spoke to SARA HERGENREDER, JESSE MORRISON's mother, after I received a telephone call from her. SARA stated that when I was originally at her residence, and arrested her son on his warrant, I had spoken to him about his backpack being found in a stolen vehicle that had bleach inside the vehicle. SARA stated that after I left she checked her bleach and realized that her medium sized, circular, bleach bottle was missing. She explained that this was a full bottle and that she had checked all of her trash cans and could not locate it. SARA also stated that she had received a phone call from JESSE while he was in jail wanting bail and he made a statement about law enforcement not going to be able to find his fingerprints on the stolen vehicle. SARA also stated that she had noticed a couple of scratch marks or slight abrasions to the left side of her son's neck just prior to me arresting her son. SARA believed that this was from a seat belt and SARA believes that her son did steal the vehicle. SARA also explained that another friend of JESSE's was at the house in the morning of the theft and that this friend is from Milliken and had to be driven to her house. It is unknown who this other friend is at this time.

I asked SARA if she knew if her son had ever had DNA swabs done on him. SARA explained that from another criminal case in Milliken, DNA swabs were done on him. A request will be sent to CBI in an attempt to compare the DNA file that is already on record of JESSE MORRISON to the DNA swabs that were taken by Deputy ATWOOD when he processed the stolen vehicle. I went to the Larimer County Jail to interview JESSE MORRISON. Upon meeting with JESSE in a Jail interview room, I advised him of his Miranda Rights. JESSE immediately stated he wanted his lawyer. No questions were asked by me and no statements were made by JESSE.

### Summary Narrative

jls/L02008/040115

Case Status: Active

On 033115 at 1200 hours, I received a report from the Northern Colorado Regional Forensic Laboratory (NCRFL) regarding this case and specifically to latent prints that I submitted to the NCRFL for identification purposes. The report that I received from the NCRFL had case number assigned by the NCRFL as #N15-241. I observed that Criminologist JULIE FULTON wrote the report that contained the following information. The latent fingerprint evidence was submitted to the NCRFL on 020415, by hand to hand transfer between KRISTI JAUKEN of the Larimer County Sheriff's Office to the NCRFL. The item that was submitted, JMA-1, contained two black latent fingerprint cards with silver dust. The cards were compared to a known victim, TIMOTHY JON CUTRIGHT, DOB: [REDACTED] and did not result in a comparison identification by the NCRFL to CUTRIGHT.

FULTON reported that the fingerprint card JMA-1 Lift #1 had two latent fingerprints that were of value and entered into the AFIS (Automated Fingerprint Identification System). These prints were identified as Latent Lift #1, prints # 1 and 2 or #1.1-01 and #1.1-02 from the victim's driver's side door. Latent lift 1.1-02 or the second fingerprint identified from JMA-1 lift #1 was positively identified as belonging to the right thumb of JESSE JAMES MORRISON, DOB: 112895, State Identification #2622964. This identified print was located on the driver's side door of the stolen vehicle. Latent Lift #1 print #1 did not have enough ridge detail for a print confirmation. Latent Lift card #2, identified as coming from the hood of the vehicle did not have any latent prints of value. Criminologist FULTON completed the analysis report and provided a compact disc to the Larimer County Sheriff's Office as evidence of her findings. Please see the attached report for further information. Deputy KINGSTON was advised of the findings of this evidence in person on 033115 at 1300 hours. No further action by this deputy at this time.
