MOTOR ART COLLECTION

UNIQUE AND
EMOTIONAL

- All the images used to create the installations are **unique and highly emotional**.
- The photos used, **rigorously unpublished**, are chosen by MAC in **exclusive archives** that preserve the history of world motorsport.
- Each year MAC selects a very **limited number of images** for the creation of new works.

MOTOR ART COLLECTION

LARGE FORMATS
AND HD PRINTS

- Each creation is replicated in a **limited quantity** and reproduced on **precious materials**, in **very high definition**, with **innovative scanning and printing techniques**.
- The art installations are made only in large formats unconventional: **Optimum** of 2 x 1.5 meters and **Ultra** of 3 x 2 meters.

DESIGN SUPPORTS

- The works, printed in HD, are sealed between **two layers of tempered glass** and supplied with **accessories for wall mounting** or inserted in original **supports designed and manufactured by top designers exclusively for MAC.**
- The support structures are, in turn, **valuable artistic objects** made with great **attention to materials and construction techniques.**

MOTOR ART COLLECTION

LIMITED EDITIONS
WITH CERTIFICATION
OF AUTHENTICITY

- Each installation is accompanied by a **certificate that guarantees its authenticity**.
- It is delivered together with the work, a **valuable art publication** describing the photo and the event motorsport in which it was captured, along with **10 other images exclusives** taken from the same context.
- The contents of the book are edited by **prestigious names in journalism in the motoring field**.
