

About Me

I am a person who is always eager for knowledge, I try to always work on myself and that is why the best thing I can get from others is good criticism.

I jokingly say that diamonds are created under pressure.

MILŠPED D.O.O. BELGRADE

LOGISTICS COORDINATOR
PROFESSIONAL PRACTICE AUG - OCT 2017

- I worked in domestic transport within Serbia. Organizing the on point delivery of goods to the best satisfaction of our customers.
- My main task was to make sure that all deliveries make it on time and in the condition that they were loaded. It was a very dynamic but also very responsible position, i have gained a fair amount experience with work under pressure and time management.
- This position also helped me gain experience in working with people.
