

FOR IMMEDIATE RELEASE

Bincang Supply Chain (BSC) and Slimstock Indonesia Announce Strategic Partnership for **Supply Chain Content Collaboration**

Jakarta, Indonesia – May 30, 2025 – Bincang Supply Chain (BSC), a leading platform for supply chain leaders, and Slimstock Indonesia, a premier provider of inventory optimization solutions, are pleased to announce a **strategic partnership to deliver innovative supply chain content**.

From June 1 to December 31, 2025, this collaboration will provide Indonesian supply chain leaders with advanced resources, insights, and tools to enhance operational excellence and drive innovation.

Combining BSC's expertise in networking and knowledge-sharing with Slimstock's cutting-edge solutions, the partnership will produce impactful content, including whitepapers, case studies, and interviews addressing key challenges like demand forecasting, inventory management, and sustainability.

"We are delighted to partner with BSC to empower supply chain leaders with the tools and insights needed to optimize operations," said **Dyan Utami, Marketing Manager at Slimstock Indonesia**.

About Bincang Supply Chain (BSC)

BSC connects supply chain professionals through networking events, conferences, and advocacy initiatives.

About Slimstock Indonesia

Slimstock Indonesia specializes in inventory optimization and supply chain planning, delivering data-driven solutions for operational efficiency and resilience.
