Creative and technically skilled Motion Designer and Video Maker, I am eager to contribute to a dynamic team working on a wide range of projects. I bring fresh, solution-oriented ideas and a strong collaborative spirit, aiming to deliver impactful and visually compelling results.

Experience.

2020 - Present

Motion Designer

NTTRB

I create videos and graphic animations to illustrate concepts or convey information.

I primarily work in-house for the Council of the European Union.

Editor

2018 - 2020

Freelance

I worked as a freelance video editor for various companies, Moovizz, Les Invités Production or 601 prod. In this role, I was responsible for editing diverse types of content like advertising or documentaries.

Editor

2017 - 2018

Les Invités Production

I worked as a video editor for the show C'est Cult, where I was responsible for editing episodes that focused on cultural and artistic content. We created promotional clips using whatever resources we had on hand.

Education.

Editing / Post-Production

2015 - 2018

Haute école libre de Bruxelles Ilya Prigogine

Web Design / Multimedia

2012 - 2015

Haute École Albert Jacquard
