CITY OF ANAHEIM NEIGHBORHOOD CLEAN-UP PROGRAM OVERVIEW & PROCEDURES

Join forces with your neighbors to enhance the cleanliness of your neighborhood! The City of Anaheim offers an annual opportunity for a neighborhood clean-up, complete with the provision of large dumpster bins, free of charge. This program is designed to help residents dispose of oversized items that cannot fit into regular trash containers.

HERE ARE THE GUIDELINES FOR THE NEIGHBORHOOD CLEAN-UP PROGRAM:

Frequency:

Any neighborhood can partake in the clean-up initiative once a year.

Logistics:

Dumpsters will be delivered to specified addresses within the neighborhood on a Friday and collected on the following Monday, between 6:00 a.m. and 6:00 p.m. Bin placement is determined by our dedicated Neighborhood Services staff and clean-up organizer.

Coordination:

The resident requesting the clean-up, will act as the organizer. They may recruit volunteers, preferably neighbors and other residents, to assist with hosting a bin for the duration of the clean-up or various tasks throughout the event.

RESPONSIBILITIES

Clean-Up Petitioner:

The petitioner is responsible for organizing volunteers (at least one per bin) to monitor bins during the clean-up. They will also distribute flyers advertising the event to residents in the neighborhood. Flyers will be provided by our Neighborhood Services staff at no cost. The clean-up organizer ensures proper monitoring to prevent hazardous disposals and overflowing bins.
