

Safeguarding

At the heart of **All About Drumming** is a commitment to the welfare of all young people we work with. Our approach is guided by best practice and regularly updated statutory guidance. We maintain high standards of professional conduct and tailor our approach to align with each school's safeguarding policies and specific requirements.

- **Training & Experience:** Adam has extensive experience working in schools over many years and completes annual safeguarding training to stay up to date with best practices.
- **DBS Check:** Adam holds an Enhanced DBS certificate that's up to date and will be provided before the commencement of any projects.
- **Reporting Concerns:** Adam is confident at recognising and responding to safeguarding concerns, ensuring they are promptly reported to the school's DSL.
- **Professional Standards:** All About Drumming upholds clear boundaries, promote inclusivity, and create a safe, respectful environment for all.
- **Risk Management:** Adam proactively assesses and minimise risks to ensure the safety and well-being of everyone involved.

Safeguarding is at the core of our work, and we are dedicated to helping schools provide a safe and enriching environment for their pupils.
