# Who are we ?

## KITAB Hussain Al Shammary General Contracting

- Based on our appreciation of the value of work and the exploitation of human energies, and in recognition of the importance of exploiting the time component and good management and employment of the human element in accordance with the challenges of the fields and our belief in the value and height of the affairs of this great homeland we have had the honor and pride of establishing the **KITAB Hussain Al Shammary** General Contracting Company as a Saudi company working in all fields of contracting to be supportive of the renaissance and building this country.
- **KITAB Hussain Al Shammary** Company started its work more than a year ago in all types of contracting works such as administrative buildings, buildings and villas, especially the upper (iron hangers), using a group of professional and technical administrative staff specialized in each field to achieve the equation required by the market, which is the best quality and at the lowest possible costs.
- **KITAB Hussain Al Shammary** Company has a great benevolence in the Saudi market and has the ability to complete projects anywhere where it has skilled workers specialized in every field, which enables it to fulfill its obligations to implement all tasks and projects assigned to it with the required accuracy and quality according to the technical specifications and the way that satisfies its customers.

**General Director**  
**Hassan Eid Al-Hoshan**

## Our vision

- We look forward to expanding the future advanced business with the vision of the State (٢٠٣٠) which seeks to apply modern technology and implement smart ideas in order to reach a world class in providing services.

## Our message

- Our message in KITAB Hussain Al Shammary's lies in spreading the culture of quality in its true sense in the field of general contracting in the Kingdom of Saudi Arabia, in order to create a real competition between companies and institutions that provide general contracting services, whether large or emerging companies, and this message that we adopt is from In order to provide the best services at the most reasonable cost.

# Rate Us

- Work with one team spirit and insist on excellence and creativity
- Adherence to deadlines, accuracy of work, and ambition for the better
- Confidentiality of customer data and achieving customer interest and desire
- Integrity in dealing, perfecting work and achieving quality standards.

## Our goals

- Increase the efficiency of the performance to upgrade the company.
- Active contribution to society.
- Building long-term partnerships with many of our companies.
- Expand our activities to cover our services throughout the Kingdom.
- Customer satisfaction by providing high quality services at competitive prices in the field of construction and development.

# Quality & safety policy

The elements of quality and safety are among the most important elements that we put among our priorities that we cannot tolerate, as we have, over many years of providing general contracting works, and we are working to improve the quality of all our works with an excellent quality and safety system that keeps pace with the ongoing challenges and is in line with the requirements of different customers.

The most important quality policy measures we have for the various businesses are in following up how the performance indicators are going on for all employees of the company measuring the extent of customer satisfaction with the services we provide to them, and taking all safety and security precautions.

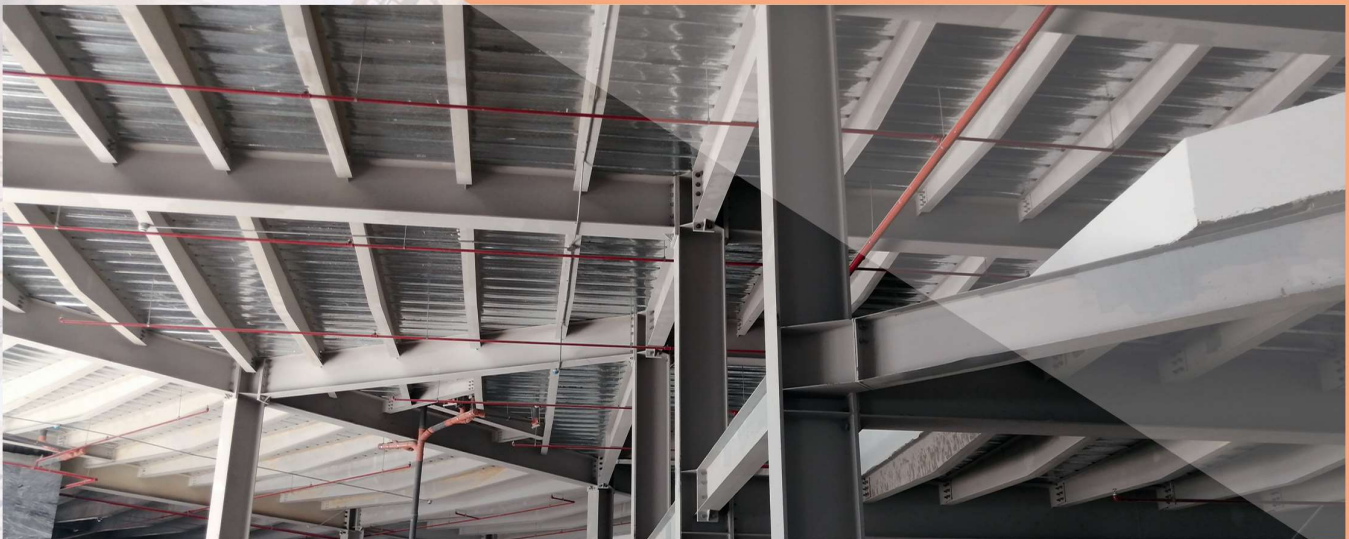

Our company, since its founding, has always been striving to achieve its goals to reach the required level to gain customer satisfaction. That is why we have established a quality management system to create a competitive advantage for the benefit of the client and the project and provide high-quality products and services.
