

The page features a central tan-colored rectangular area with a deckled, torn-paper edge. This central area is surrounded by a light cream-colored border. In the corners of the page, outside the central tan area, are decorative botanical illustrations: purple and yellow flowers in the top-left, a green fern frond in the top-right, yellow flowers and a fern frond in the bottom-left, and yellow flowers and a fern frond in the bottom-right.

I was lowkey surprised and intrigued while watching this short video...

I'm curious if you're also shocked with the conclusions!
