

Creating a Sober World

Bible Study Plan

In the Word Daily...

This Creating a Sober World reading plan offers special features that will aid you in your journey through the Bible.

- * By reading from four separate places in the Scripture every day, you should be able to better grasp the unity of the Scriptures, as well as enjoy the variety of seeing four different view points.
- * To prevent the frustration of falling behind, which most of us tend to do, when following a study plan, each month lists only 25 readings. You will have extra days each month to catch up. Or you could take a day off each week in most months.
- * You can also plan to read through the Bible in two years by reading only half of the readings each day.
