#### NOTES FROM THE EDITOR:

With this last TSC newsletter of 2023 we are reminded that it is time to hold election of officers to serve in 2024, a slate of which will be decided on at the Nov. meeting and voted on at the Dec. TSC Antique & Collectible prior to the opening of the event to the public. Just around the corner, TSC annual membership dues will be due in Jan. 2024 and the amount will be the same as the past two years—\$15.00 per member with a discounted amount for family memberships.

Please see Jerry McNew for your payments and to also update any changes in your contact information which is especially important due to the next bit of information.

We now have secured a new web domain name: <a href="www.tucsonstampclub.org">www.tucsonstampclub.org</a> which I am currently developing and expect to publish it prior to Thanksgiving.

When established, all future TSC newsletters will be published on the website to make it easier for all members to access and print out if desired. There are many additional benefits of having an updated and extensive website that will be presented at the Nov. TSC meeting. We have also obtained a list of American Philatelic Society members in Arizona from them at no charge after they waived their \$30.00 fee and we will be doing a mail out to the almost 100 APS members in the greater Tucson area that are not members of the TSC. Included in the mail out will be a letter of introduction to our club with an invitation to visit our meetings and a copy of the flyer for the TSC Dec. 9 Antique & Collectible Show.

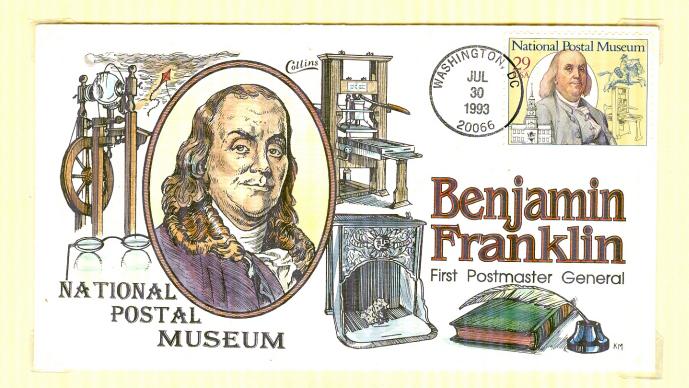

## NOVEMBER TOPIC: HAND PAINTED COVERS:

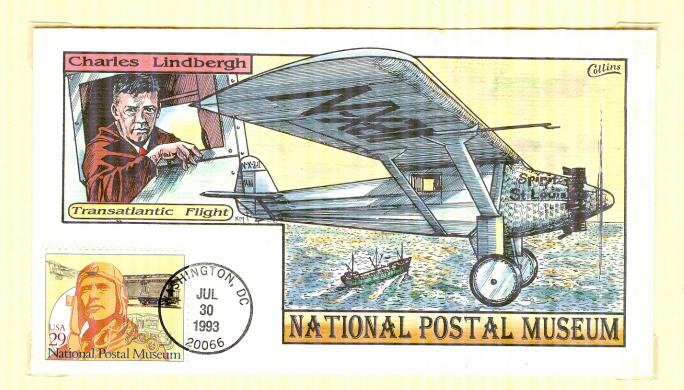

Our presentation will examine the differences in hand colored and completely hand painted covers including some of the more notable Artists and their covers as well as exploring the various techniques and tools that can be used to create these unique and interesting covers. All of our members are encouraged to find their "inner Artist" to create their own covers if it be coloring in preprinted cachets or starting with a blank canvas of a non printed cover.

#### DECEMBER 9 TSC ANTIQUE & COLLECTIBLE SHOW

This is an exciting new event for the TSC that hopefully will bring new attention for our stamp club as well as allowing TSC members to sell items in addition to their normal philatelic items at our regular meetings. Each member will be provided with ten flyers and we ask you to personally invite five people as well as post five flyers at a library, community center, place of worship, or other well trafficked facility. When Genie Eaker and I did this personal targeting of an audience withour promotions of Art Shows in Tucson we never had less than two hundred visitors attend the event just from these efforts alone. If we draw one half as many to our TSC event it will be a success because one hundred people visiting the Fraternal Order of Police Lodge during the three hour show will keep everyone busy! Please be prepared to sign up for the number of tables that you would like to reserve for this show at the Nov. meeting as well as providing me with a list of items that you will have for sale so that I am able to set up an effective floor plan to feature every seller.
