FROM THE EDITOR

With the New Year comes new and exciting changes in communications for the Tucson Stamp Club. We now have a new web site and with it comes the ability to offer more and better services for not only our TSC members, but the greater community as a whole.

Our newsletter will now be issued monthly directly on our web site and will be archived so that all future and selected back issues will be available for view and reference on demand.

The format will be more like a magazine featuring the new additions to the web site each month including regular columns as well as special articles by our TSC members such as:

[Tucson Stamp Club History](#) by Len Miller

[Vintage Philatelic Publications](#)

[Recommended Links](#) – for additional resources

[Postcards From The Past](#)

[Ephemera](#) – items & ideas to enhance your collections

[TSC Member Dealer Pages](#) – featuring items for sale

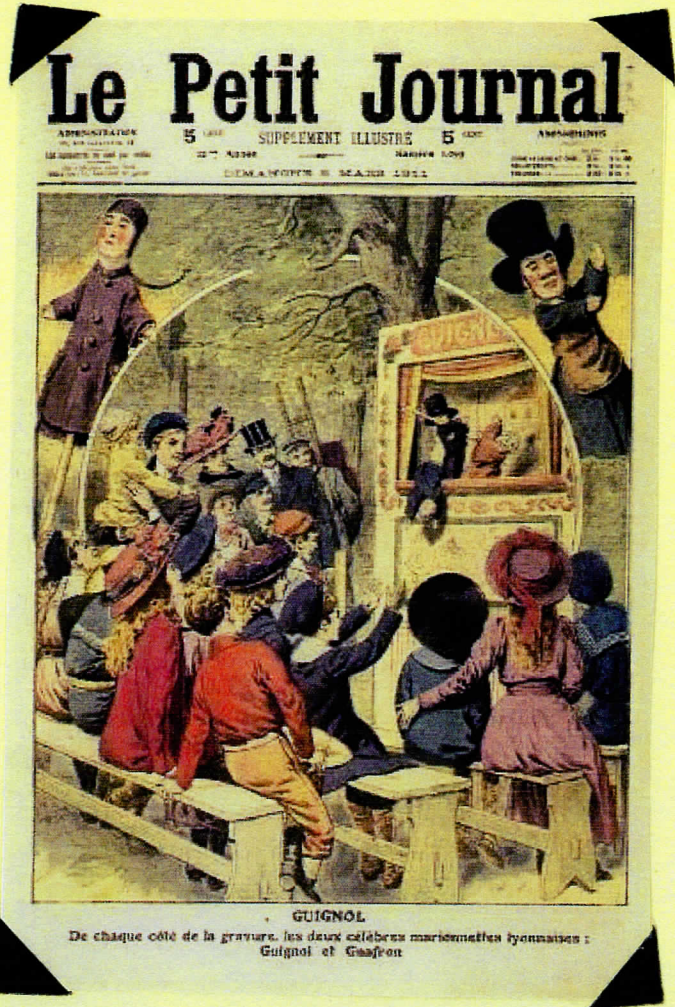

[Club Presentation & Presenter of the Month](#)

[Webmaster Blog](#) – our webmaster's community information page

[Feature Article of the Month](#)

[Photo Gallery](#)

And many more items that we hope will provide information and entertainment each month for all of our visitors.
