## FROM THE EDITOR: EDWARD W. EJK

Our April TSC meeting will feature a Dutch Auction whereby each member acts as their own auctioneer offering up to three (3) items per turn starting with the amount they wish to sell the item for and lowering the bid asked, if they choose, until the item sells or is withdrawn from the sale.

After each participating member has had a turn selling their three (3) items, the process will be repeated until all items have been offered or the scheduled time runs out.

Items offered during the Dutch Auction are not limited to just Philatelic related material, and may include Coins, Ephemera, Books & Literature, Autographs, Photographs, and other Collectibles.

All sales proceeds of the auctioned items go directly to the member without the TSC taking a percentage of the sale or lot fee.

There will be about 100 items in the Auction and some are listed/pictured on the following pages.

While one must be a TSC member to auction their items, the bidding and purchase of all items is open to the public at no charge.

These twice yearly Tucson Stamp Club Auctions offer an opportunity to buy and sell a vast variety of interesting items to enhance one's collection.
