

New Gannan Engineering

Manufacturers & traders of

**ALL TYPE OF LIQUID
FILLING MACHINES.**

ADDRESS

H no. 281/282 Jai Vihar F2 block
South West Delhi , Delhi 110043

MOBILE NO.

8076457194. 8860974935.

PRODUCT LIST

STANDING MODEL - SINGLE HEAD

FILLING RANGE : 5L - 25L
OUTPUT RANGE : (In 8 hours)
It can fill 5000L - 20,000L

BENCH MODEL - DOUBLE HEAD

FILLING RANGE : 165ML - 5L
OUTPUT RANGE : (In 8 hours)
3000L- 20,000 L

CTC BOTTLE CAPPING MACHINE

NOTE : -

All the parts coming in contact with the material will be made from 304 quality stainless steel, including nuts, bolts, washers, etc All stainless steel casting will of 316 quality All the other parts, which will not come in contact with the materials, will be made from Mild Steel, Alloy Steel. Graded Castings etc. duly hardened wherever required or painted/nickle plated.

FEATURES

OF OUR MACHINES

ELECTRICITY

No electricity/power is required for operating the machines

MAINTENANCE

No maintenance is needed for our machines

PRODUCTION

The production rate is very high of our machines

ACCURACY

We use micro weight adjustment system and it has a limit tolerance of 0.2% only

NOTE

- NO PUMP OR PISTON ASSEMBLIES are provided with the machines, for filling different volumes thus completely saves your investment on piston/pump assemblies
- No pipes are provided with the machines. Hence, no replacement of the pipes are required from time to time

LIQUIDS

we can easily fill with the help of our machines

- Hydraulic Fluids
- Mustard Oil
- Rose Water
- Lube Oil
- Shampoo
- Ghee
- Oil Paints
- Til Oil
- Castor Oil
- Emulsion Paints
- Hair Oil
- Linseed Oil
- Thinners
- Lotions
- Fruit Pulps
- Pesticides
- Rapseed Oil
- Non-edible Oils
- Weedicides
- Liquid Detergen
- Jams
- Fungicides
- Soyabean Oil
- Liquid Dyes
- Insecticides
- Rust Preventives
- Soups
- Phenyle
- Adhesives
- Chemicals
- Disinfectants
- Ricebran Oil
- Gear Oil
- Sharbats
- Vanaspathi
- Mineral Water
- etc
