

HKSECURE
3MP HD
Dome Camera

HKLS3ADC-A

Description:

Clear Vision. Compact Design. Reliable Surveillance.

The HKLS3ADC-A is a compact and efficient 3MP HD Dome Camera from HK Secure, designed for indoor and sheltered outdoor surveillance. With a stylish dome design and 3.6mm fixed lens, this camera blends well into ceilings and walls while delivering crystal-clear HD video and real-time viewing.

Equipped with color night vision and inbuilt audio, it allows you to monitor environments more comprehensively—capturing both visuals and sound. Its plug & play setup ensures hassle-free installation, and the plastic housing provides a lightweight and cost-effective build ideal for small businesses, homes, and offices.

Specifications:

- 3MP High-Definition Video Quality
- Color Night Vision
- Inbuilt Audio Monitoring
- 3.6mm Fixed Lens
- Plug & Play Installation
- Real-Time Video Preview
