

## **HKSECURE** **4G All-Time Color** **Mini Pan-Tilt Camera**

**HK-PT-4G**

### **Description:**

**Compact Design. Powerful Performance. 24x7 Color Surveillance with 4G Connectivity.**

The HK-PT-4G is a smart and compact Mini PTZ Camera from HK Secure, built for seamless wireless surveillance with 4G SIM support. With pan-tilt functionality, all-time color vision, motion detection, and cloud recording, this camera provides 360° protection—perfect for both indoor and outdoor spaces.

Whether you're protecting your home, retail shop, parking area, or a remote site, this camera offers smooth remote control, live monitoring, and instant alerts via a user-friendly mobile app. Designed for convenience, the device supports up to 256GB SD card as well as cloud storage, and ensures real-time security even in no-Wi-Fi zones.
