

HKSECURE

4G Smart Linkage Pan-Tilt Camera

Description:

Smart Dual Lens | All-Time Color Vision | Full 4G Surveillance

The HK Secure 4G Smart Linkage Pan-Tilt Camera is a next-generation outdoor security solution designed to deliver continuous, intelligent surveillance with powerful all-time color clarity. Equipped with two independent lenses—one fixed and one pan-tilt—this camera offers full coverage of your surroundings while tracking motion precisely in real time.

With a 2MP + 2MP dual-lens setup, full-duplex intercom, mobile app control, and real-time alerts, it's ideal for users who want advanced monitoring with easy installation. Whether you're securing your home, shop, office, warehouse, or any remote property, this 4G-enabled camera ensures you stay connected and protected—anytime, anywhere.
