All-Time Color 4G Linkage Solar Mini Pan-Tilt Camera

Description:

Empowering 24/7 surveillance without wires or power dependency, the HK Secure All-Time Color 4G Linkage Solar Mini Pan-Tilt Camera is a smart outdoor solution for modern homes, farms, and remote sites. Powered by a solar panel and built-in rechargeable battery, this camera combines dual lenses and mobile 4G connectivity to deliver uninterrupted, intelligent monitoring from anywhere.

Equipped with 3MP + 3MP resolution and H.265+ compression, it ensures crystal-clear visuals while saving storage space. With dual lens technology—featuring a fixed upper view and a 360° rotating lower view—this camera provides broad area coverage with enhanced detail. Designed for standalone installation, it offers cloud recording, real-time alerts, and advanced human detection for security that works on autopilot.
