

Position: Senior SAP DSD Consultant

Job Overview

Job Title: Senior SAP DSD Consultant.

Experience: 8+ years

Duration: 6 Month

Job Type: Remote

Salary: Best in the Industry

Job Summary:

We are seeking a highly experienced SAP DSD Consultant to lead and support the implementation, configuration, and optimization of SAP Direct Store Delivery solutions. The ideal candidate will have deep expertise in SAP SD and DSD modules, with a strong understanding of FMCG/CPG industry processes and mobile sales operations.

Key Responsibilities:

- Lead end-to-end SAP DSD implementations and rollouts.
- Gather and analyze business requirements and translate them into SAP DSD solutions.
- Configure SAP DSD modules including route management, van sales, pre-sales, and delivery processes.
- Integrate DSD with SAP SD, MM, WM, and mobile applications.
- Work with cross-functional teams to ensure seamless integration and data flow.
- Provide support for SAP DSD mobile applications and troubleshoot issues.
- Conduct user training, prepare documentation, and support UAT.
- Optimize existing DSD processes for performance and compliance.
- Collaborate with stakeholders to drive digital transformation in field sales and logistics.

Required Skills & Qualifications:

- 8+ years of experience in SAP SD/DSD with at least 2 full-cycle DSD implementations.
- Strong knowledge of SAP DSD functionalities: route planning, van sales, pre-sales, delivery execution, and reconciliation.
- Experience with SAP S/4HANA is a strong plus.
