

VOLUME DESIGN

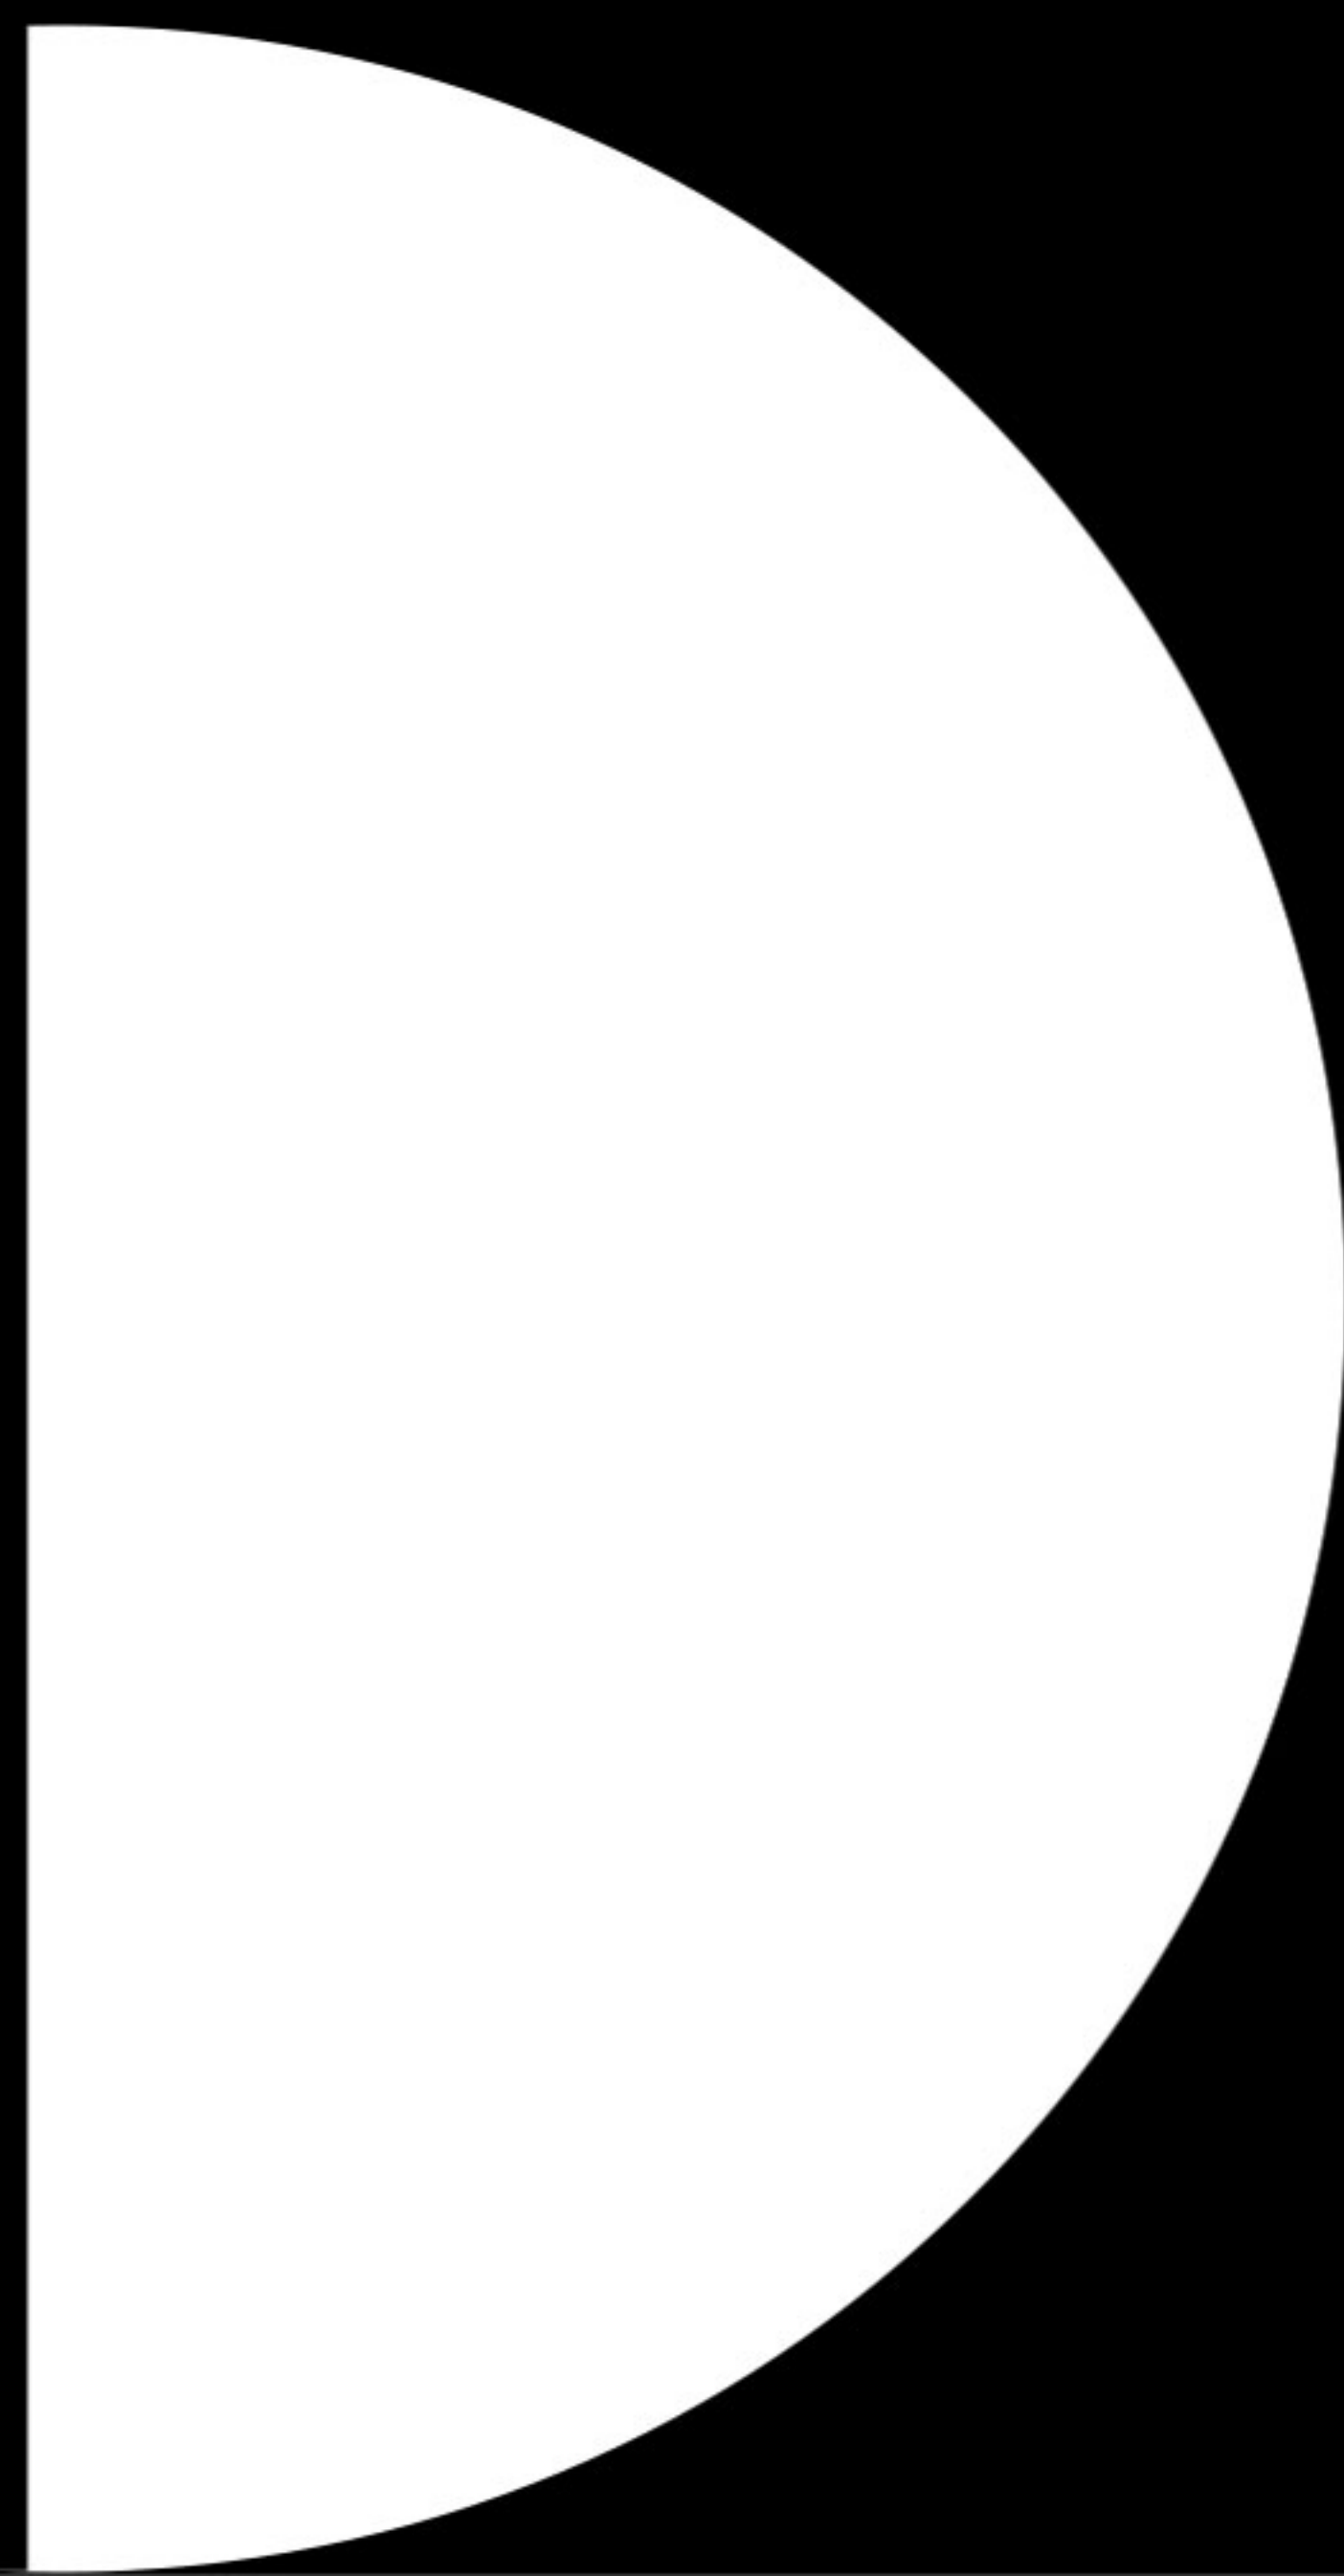

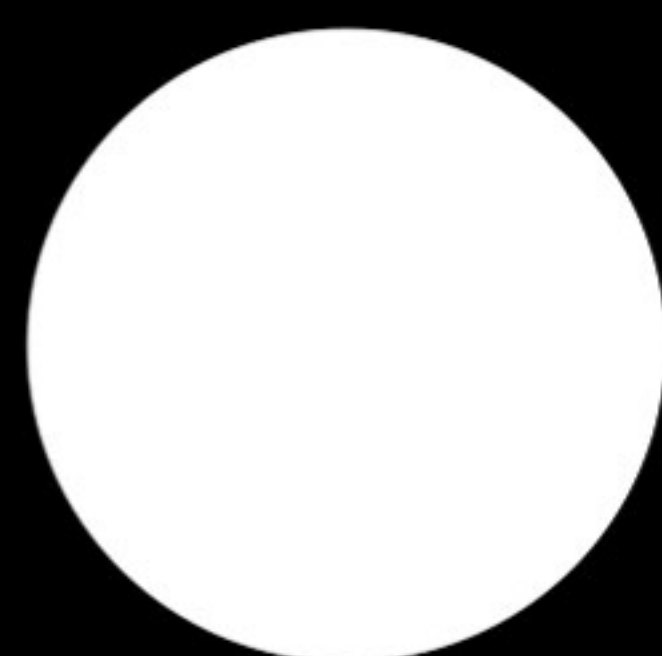

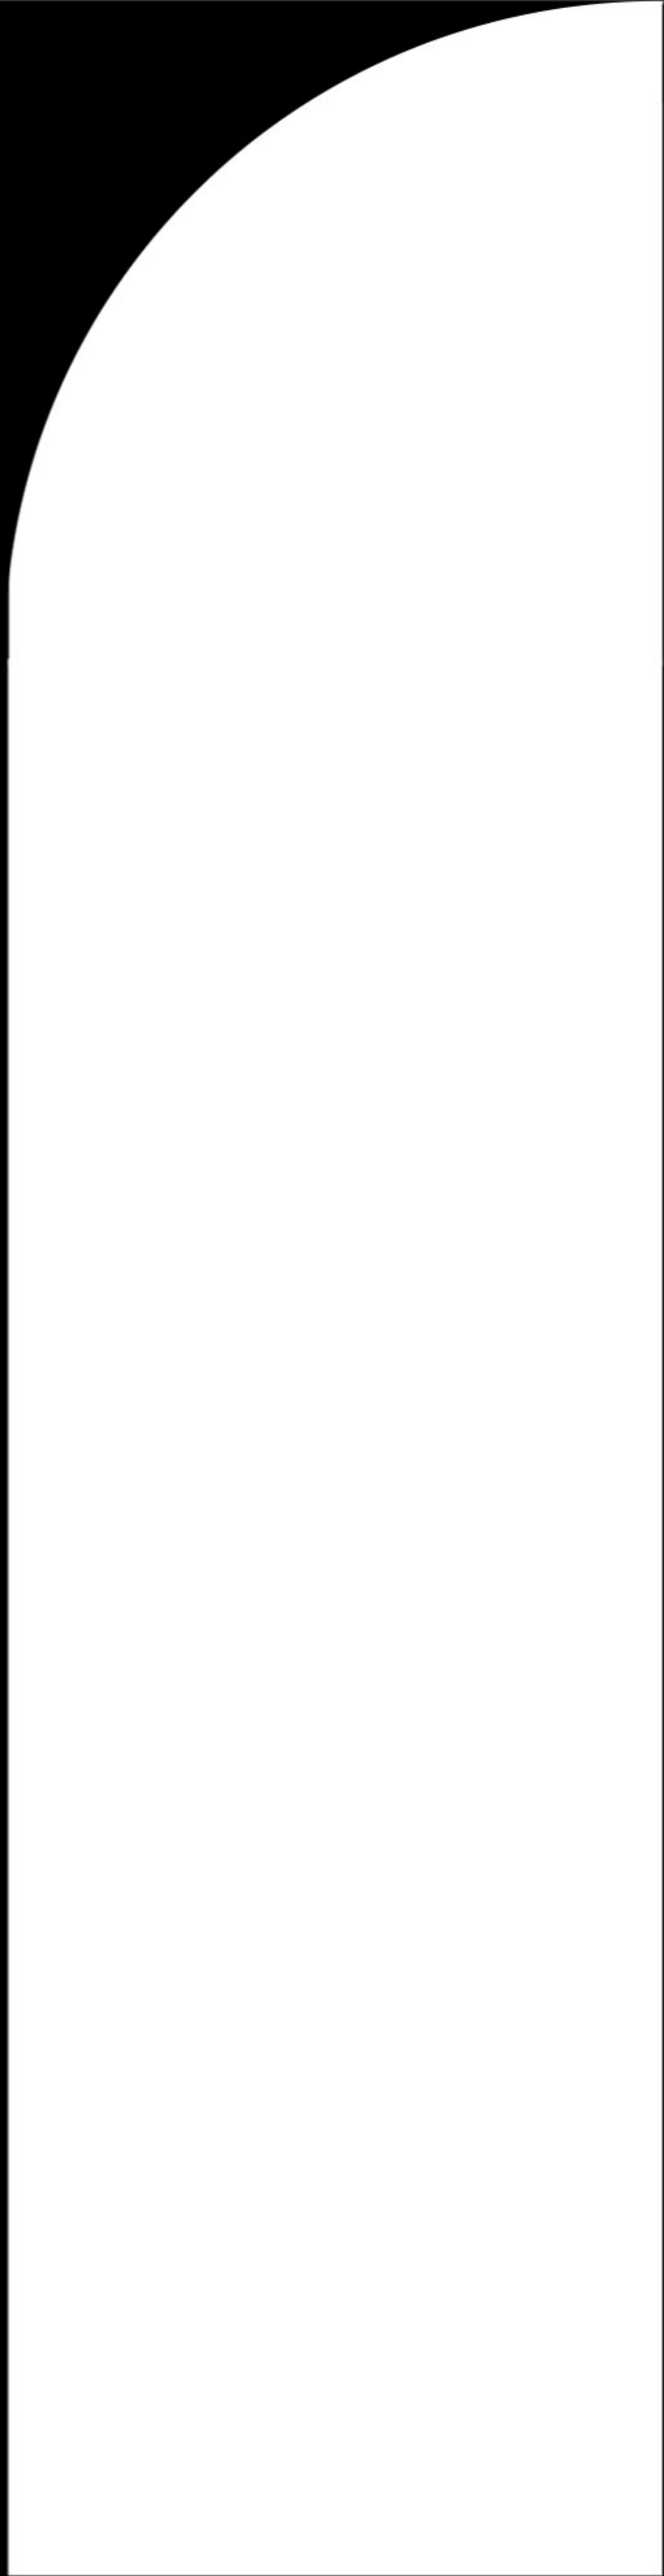

ONE SOIRÉE

2025

HAAM
GALLERY

CATALOGUE

Design Soirée is a collaborative event celebrating the ingenuity and diversity of contemporary design practices. Envisioned and curated by Haam Gallery, this vibrant gathering brings together various creative practitioners, showcasing their unique approaches to design. From innovative explorations of form, function and materiality to thought-provoking conceptual work, Design Soirée offers a platform for dialogue, inspiration, and creative exchange. Join us for the Volume 1 of Design Soirée to immerse yourself in a dynamic evening that blurs boundaries, sparks ideas, and celebrates the artistry of design in all its forms.

||| raka.

Saleh, Waleed and Rayan are the co-founding brothers of Raka Studio. Based in Lahore, Pakistan; their journey as designers and makers began in 2017 with the inception of the Studio. With no background in crafting or design, they create works using self taught crafting techniques; allowing them to have created a unique design language. Their works range from lighting, furniture and sculptural pieces that are acquired by collectors all over the world.

R a h m a S h a h i d

Rahma Shahid is an interdisciplinary designer and maker. She has a background in Political Science and Law from Lahore University of Management Sciences (LUMS) and a master's in design in Designed Objects from School of the Art Institute of Chicago (SAIC). Her practice explores the designs of cities, colonial histories and environmental degradation. In 2023, she represented Pakistan as the first Pakistani to be selected for Salone del Satellite at Milan Design Week for emerging designers. She has recently opened her design studio and manufacturing unit under the name 'mattu' in Lahore, Pakistan.

S H E H R B A N O S A L A H U D D I N

Shehribano Salahuddin is an architect/designer/artist living in Lahore, Pakistan. She completed her Bachelors in Mathematics & Art from Smith College in 2011 and her Masters of Architecture from Pratt Institute in 2014. In 2018 she founded Braencandy: a brand centred around spirituality, healing and design. In 2022, she began experimenting with metal weaving - using strips of brass, copper and stainless steel. Her explorations in this craft have led her to create innovative furniture and art objects that push the boundaries of materiality and redefine the role of craft in design.

S i d r a **K h a w a j a**

Sidra Khawaja is an interdisciplinary creative practitioner, educator, researcher and a Fulbright scholar. With a background in Designed Objects & Visual Communication from the School of the Art Institute of Chicago (US) and the National College of Arts (Lahore), her practice traverses the realms of design, art, culture and contemporary craft. She investigates material culture and rituals to weave narratives within the socio-political and cultural contexts. Her work often involves a performative element, seeking to create interactive public experiences using objects, installations and multimedia.
