# INTRODUCTION

Universal Road Carrier is the fastest-growing Transportation Company in India. We established it in 2005, and our aim is to become one of the best transport companies. Currently, we have 100-plus members on our team. Universal Road Carrier offers a wide range of vehicles for transportation throughout India.

Foremost surface transport entity. With an extensive and strategically located branch network, a specialized fleet of vehicles, and the latest technical and functional infrastructure. URC offers total multimodal transportation solutions ranging from full truck/trailer load, less than truck load, small, and over-dimensional cargoes through Road. URC ensures a cost-effective, safe, reliable & ethical service, which has secured its involvement in all major government and private projects.

We aim to provide secure and quality service to all customers so that they will continue to do business with us in the future. We provide the best and quality services to our customers. We believe in customer satisfaction. We are still growing, with a new range of vehicles being added periodically.

# OUR VISION

To become the customer's obvious choice by providing complete transport solutions with Reliable innovation, reliability, and performance To grow in a steady and responsible pace to position of strength and prominence in our area of operations
