GRADE 7 LUNCHEON AT AVIARY LOUNGE

On the 11th of October 2025, the Grade 7 learners of Springfields Primary School hosted a memorable luncheon at the elegant Aviary Lounge, located along Great East Road. The event marked an important milestone in their academic journey as they prepared to bid farewell to their primary school years and looked forward to the challenges of secondary school. The lounge was beautifully decorated with colourful balloons and floral arrangements, and learners arrived in their finest attire, radiating excitement and pride. Parents, teachers, and school administrators were also present to celebrate this special occasion, adding warmth and encouragement to the joyful atmosphere.

The programme featured a speech from the Head of School, Mrs. Wilberforce F. L., along with fun activities such as a jumping castle, creating unforgettable memories for the pupils.

The highlight of the luncheon was to bid farewell to the outgoing Grade 7 learners in a special and memorable way — one they will treasure for a lifetime, carrying fond memories of Springfields Primary School with them. Guests were treated to a delicious buffet prepared by the Aviary Lounge staff, accompanied by lively music and dancing. The day concluded with heartfelt words of appreciation from the Head Teacher, who commended the Grade 7 teachers and learners for their hard work, resilience, and unity. The luncheon was not only a celebration of achievement, but also a beautiful reminder of friendship, growth, and the new beginnings awaiting the learners beyond Springfields Primary School.

SPRINGFIELDS PRIMARY SCHOOL FUN TRIP TO CROSS ROAD

3rd October 2025

On 3rd October 2025, pupils from Grades 2 to 7 of Springfield Primary School enjoyed a fun and memorable trip to Cross Road. The event was wonderfully organized by Mr. Kaumba and Mrs. Musonda, with full support from other dedicated staff members.

The day was filled with laughter, learning, and excitement as learners took part in game viewing, swimming, football matches with other schools, and even fishing. Pupils were thrilled to see wild animals up close, play in the water, and showcase their teamwork and sportsmanship on the field.

The trip offered a perfect blend of recreation and education, allowing learners to appreciate nature while bonding with friends and teachers.

As the sun set, the tired but happy faces told the story of a day well spent. Truly, the Cross Road trip reminded everyone that learning can be fun and that together, we can create beautiful memories at Springfields Primary School.

Zambian Independence Day

Every year on 24th October, Zambia celebrates Independence Day, marking the nation's freedom from British rule in 1964. This special occasion reminds us of the bravery, unity, and determination of our freedom fighters, who worked tirelessly to build an independent nation.

Under the leadership of Dr. Kenneth Kaunda, Zambia's first President, the country gained independence and began its journey as a proud and free nation.

At Springfields Primary School, we joyfully celebrated this important day with songs, dances, parades, and other exciting activities that showcased our love for Zambia. The colourful performances and cheerful spirit reminded us how wonderful it is to be part of a united nation.

As Dr. Kenneth Kaunda once said, "Let us always remember that our strength lies in our unity." His words continue to inspire us to work together in peace and harmony as proud citizens of Zambia.

Independence Day is a time to honour our peace, unity, and freedom. It encourages all Zambians—especially the young generation—to be proud of their heritage and to work together for a brighter and stronger future.

The Importance of Summer

Written by Mr. Chisenga

Summer is one of the most significant seasons of the year, marked by warm weather, longer days, and plenty of sunshine. It provides the perfect time for outdoor activities such as swimming, farming, travelling, and playing sports. Farmers benefit greatly from summer because crops grow well due to sufficient sunlight, helping ensure food supply for many communities.

In addition, summer is a period of rest and recreation for learners and workers. Schools usually close, giving pupils time to relax, visit family, and explore their interests. The season also promotes tourism as people travel to beaches, parks, and other attractions. Overall, summer is a time of growth, joy, and renewal for both nature and people.

Annual Graduation and Prize Giving Day

The Graduation and Prize Giving Day was held on the 17th of October and was a joyful celebration filled with excitement and pride. The colourful event began with the awarding of outstanding learners in various subjects and activities, recognizing their effort, discipline, and excellence. Guests, parents, and teachers were entertained with a variety of performances that included energetic dances, touching poems, and beautiful songs that highlighted the learners' talents and creativity. A short drama about education and co-curricular activities was also performed, carrying an inspiring message about how learning extends beyond the classroom through sports, music, and teamwork. The performance left the audience deeply moved and impressed.

The celebration concluded with the much-anticipated graduation ceremony, beginning with a warm reception class presentation that created an atmosphere of joy and togetherness. The little graduates proudly marched in their gowns as teachers and parents applauded their achievements. The event reached its peak with the presentation of the Grade 7, 2025 intake, marking an important milestone in the learners' educational journey. It was truly a memorable day filled with laughter, inspiration, and pride for everyone who attended.
