What's Next?

We've made it easy for you to join the Techinnovation App Partner Programme and start enjoying the benefits without delay.

How Do I Become a Techinnovation App Partner?

For Existing Clients:

- Log in to your Techinnovation App client area.
- Navigate to the 'Become a Partner' tab.
- Submit your application directly from there.

For Non-Clients:

- Contact a member of our partner team at **09818-068-950**.
- Alternatively, sign up via the Techinnovation App website.

What Happens After Registration?

You will receive a confirmation email with:

A copy of the partner agreement.

Instructions for logging into the Techinnovation App client area.

Once you review and electronically sign the agreement, your partner portal will be activated, allowing you to start making referrals immediately.

A dedicated account manager will reach out to ensure you have everything you need to succeed.

How Do I Refer New Clients?

Log in to the partner portal and click 'Submit Referral'.

Fill in your client's details.

Your account manager will contact the client directly to understand their requirements.

It's that simple!

What Commitment Do You Need from Me?

There's no minimum client order value.

However, the referred client must complete payment for you to claim commission.

To maximize your rewards, we encourage you to utilize the programme's additional benefits.

How Do I Claim Commission?

Start referring clients to be eligible for commissions.

You'll receive an email confirmation when your referral results in a sale.

Track referral history and commission status in your partner portal.

Earning Details:

You'll earn 15% of the monthly contract value for each successful referral.

Commissions apply to orders of any value, excluding license fees.

Claiming Payment:

Once your client pays their invoice, a partner payment reference number will be generated.

Use this reference number to raise an invoice for the commission amount and send it to our accounts department.

Commissions are paid within 21 days of receiving your invoice.
