

Present Tense (Simple Routine Verb Chart) Lyrics

Arabic Present Tense can be super breezy.

Let's take one verb to show it's easy!

**Ana, Nahnu, Hiyya, and Hoa all have one change
In the front they take the brunt!**

**Ana & Alif, Nahnu & Noon, Hiyya & Taa, Hoa & Yaa.
(Repeat 3 times)**

**Antom and Hom you must rearrange. Let the sandwich take the
stage. Your change must happen in the front and back.... for there
to be a sandwich attack!**

**Antom and hom both end with oon
But the way they start is a different tune.**

**Antom begins with taa taa taa
Hom starts with yaa yaa yaa.**

Lastly, let's look at something strange...

**You masculine only gets one change
taa taa taa in the front**

**While You feminine starts with taa taa taa too
You feminine gets extra sEEN by attaching EEN.**

**Now, you know what we mean
When we say Arabic Present Tense Verbs simple & routine.**
