Excellent for many application -masking/bunding/
holding/painting and sealing.

- Bunding wood Craft
- No adhesive strength after removing
- Residue left on surface
- For Home/industriail/school ect.

Available Size
6mm to 1250mm

CROSS FILAMENT TAPE

High tensile strength and adhesion specially designed
for application requiring a high breaking strength

- Water Proof
- Long Lasting High Strength
- Heavy Bounding
- Book Binding

Available Size
10mm to 1060mm

DUCT TAPE

Heavy duty adhesive tape with strong bonding.

- Good Resistance to Moisture, Humidity
- Industrial Sealing
- Bundling tnd Metal Packaging
- Possessing Outstanding Conformity.

Available Size
12mm to 1060mm

DOUBLE SIDE FOAM TAPE

Tape with both side adhesive coating suitable for wall mount picture, cable tie-mounts and multi application.

- Mounting application
- Decoration & Household
- Assured length & Assured thickness
- For home/School & Office use.

Available Size
6mm to 1260mm

DOUBLE SIDE TISSUE TAPE HOT MELT

Excellent quick double-stick strong adhesion non woven-tissue paper tape

- Printing Industries
- Automobile Industries
- Mounting Object
- For Home/School/
Office and Industrial use

Available Size
6mm to 1020mm

DOUBLE SIDE TISSUE TAPE SOLVENT

Excellent quick double-stick strong adhesion non woven-tissue paper tape

- Printing Industries
- Automobile Industries
- Mounting Object
- For Home/School/
Office and Industrial use

Available Size
6mm to 1250mm

ROOF REPAIR BUTYL TAPE

High strength adhesive. Clean the gravel around the graph.

- Water and fire proof
- Use for fully leahy
- Long lasting strong adhesive
- Industry/hardware use.

Available Size
24mm to 1000mm

- Easy to Install

Available Size
12mm to 1020mm

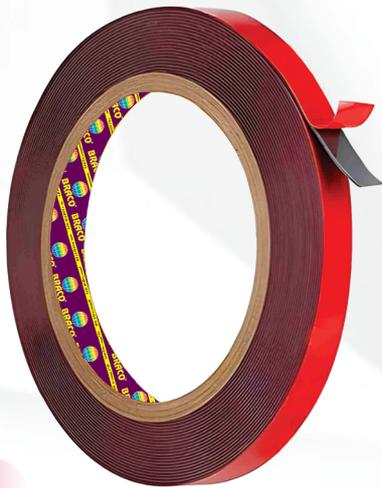

DOUBLE SIDE V.H.B TAPE

High bond double side tape high strength adhesive power

- Electric panel safety
- Automobile industrial usage
- Both side mounting tape
- Architectural

Available Size
8mm to 840mm

DOUBLE SIDE RED POLYESTER TAPE

High bond tape long term double side acrylic tape

- Mounting of metal
- High bond strong tape
- Strong rigid bond
- Metal/plastic joint tape.

Available Size
10mm to 840mm

BRACO PVC TAPE 6.5 MTR

Rubber based self sealing and patching eclectic insulation tape

- Insulate electrical wire
- Sealing low to high voltage cables
- Ideal for cable insulation
- Water proof/wearther proof.

Available Size
15mm

AVAILABLE IN NEON COLOUR

• Antislatic • Weather Resistance
• Water Proof • Excellent Insulation
• Heat Resistance

BRACO PVC TAPE GOLD 6.5 MTR

Rubber based self sealing and patching eclectic insulation tape

- Insulate electrical wire
- Sealing low to high voltage cables
- Ideal for cable insulation
- Water proof/wearther proof.

AVAILABLE IN NEON COLOUR

Available Size
17mm

BRACO PVC SMART + TAPE 15 MTR

Rubber based self sealing and patching eclectic insulation tape

- Insulate electrical wire
- Ideal for cable insulation
- Sealing low to high voltage cables
- Water proof/wearther proof.

Available Size
17mm

AVAILABLE IN NEON COLOUR

• Antislatic • Water Proof • Healt's Resistance •
• Weather Resistance • Excellent Insulation •

BRACO PVC TAPE 18 MTR

PVC rubber-based electric tape that are ideal for insulating, attaching, bundling, sealing and marking cables

- Resistance to acidic, alkalies & oil
- Strong bonding
- High tensile strength
- Automotive & Industrial repairs.

Available Size
17mm

AVAILABLE IN NEON COLOUR

BR WONDER PVC TAPE 6 MTR

PVC rubber-based electric tape that are ideal for insulating, attaching, bundling, sealing and marking cables.

- Automotive & Industrial repairs
- Resistance to acidic, alkalies & oil
- High tensile strength
- Strong bonding.

Available Size
15mm

AVAILABLE IN NEON COLOUR

BR WONDER GOLD PVC TAPE 8 MTR

PVC rubber-based electric tape that are ideal for insulating, attaching, bundling, sealing and marking cables.

- Resistance to acidic, alkalies & oil
- Strong bonding
- Automotive & Industrial repairs
- High tensile strength

Available Size
17mm
