01

Welcome

Welcome beautiful Friend

Welcome to the light of this invitation and offering.

This is a six month Immersion of Re-enchantment.
It is a journey into the Remembering and Re-activation of Relationship to Our most Magnificent Self and the ANIMA MUNDI or World Soul of our Universe and Planet

02

Vision and Expectations

This course is a Six Month fully supported Container.

The container is a portal, a map, a transmission site, a learning space and a spiralling journey.

It is also a Re-birth container

It is a systematic journey around a Medicine Wheel which enables us to meet explore and gather back into our experience aspects of ourselves and our reality that we may have lost relationship with.

It is about rediscovering our place in history, our place in divinity and the means and the opportunity to expand into the Earth Soul and Avatar self that we perceive is possible

03 Delivery and Access

The course will be presented across three technology mediums:

Learning Portal

- this is your access to all collated recordings, information sheets, meditations and exercises as we journey through our modules
- This portal is open for the duration of your 6 Month container and accessible 24/7

Live Zoom meetings

- These occur 3 times a month for approx 2hrs each
- They allow us to explore and discuss wisdom and concept but also meet together in ceremony as community and develop relationship with others under this mythology and frequency

. Telegram Group

- This space provides ongoing organic connection, inspiration and support for us all
- I will be dropping in ideas, inspirations, and organic developments as we weave our way through our journey. You are encouraged to do the same

04 How does this work?

This is about **Immersion.**

This is an immersion into the frequency of Gaia and our Own Body Soul Self AND the holographic quantum relationship between the two

It is about having enough exposure and experience of these energies to allow for recognition and activation of them. Enough to create a RE-BIRTH

To do this we immerse and saturate ourselves in continual **Transmission** and **practice.**

05 Transmission and Practice

TRANSMISSION

Is frequency that carries a particular octave or song coded within it. It acts as an **illuminator**, an activator, a portal, a template and a reflector. This is provided for you through this container. It is provided by the Guides that chaperone it, the information offered and through the meditations and exercises we explore.

PRACTICE

Is what you bring to the container. It is about **Intention**, **Devotion** and **Presence**.

This is what allows change to take place. It is inspired and illumined for you by the transmissions, but it is your PRACTICE that creates the potency for your change

06 Pristine Templates

As we spiral we are going to be calling on and developing REALTIONSHIP to some Divine friends. They are cornerstones in life on this planet. They are Pristine Energies, Templates and Beings who will help guide us back into the Quantum Web of Life.

These Divinities include:

- Our Body and Mind as Source
 - The mind of the Ascended Heart
 - Our body organs and Energy pathways
- Earth and Sun
- Sophia Gaia
- The Primordial Elements
- Great Mother Waters
- Our Ancestral Lineages of blood, soul and morphic field
- The Great Tree Beings and Plant People including:
 - Ix Cacao
 - Mother Mugwort

07 How is this Delivered and Experienced?

Wisdom teachings

- These are offered through exploring a cosmology which has the capacity to architect and build out a new reality for you.
- This information will be available by engaging in live workshops but also be collated in a series of small PDFs and additional recordings found in the Learning Portal

The practice of Ritual and Ceremony

- This is key to developing Presence, Devotion and Relationship
- It is also the means to share and harness energy as community. It's where we learn to create together.

Shamanic/imaginal Journeying

- These are guided and unguided journeys into both the power of our own imagination and other dimensions.
- They are used to help reprogram and reprint our nervous system, give us experience of our untapped identities and oracular nature and bring us into communion with the unseen realms.

Meditations

- These are pre recorded and available throughout each new module.
- They help us develop potency and alignment to different aspects and energies we are developing.

Personal Sessions

- These sessions are optional and are an additional cost to your enrolment
- However they are being offered at a greatly reduced rate whilst you are a student of EARTH SOUL SONG.
- They are here for those students who need the support, or wish to take advantage of the opportunity to truly work with and move through their personal odyssey

what is required

This is a 6 Month container

Every Month will have 3 live Zoom meetings where we explore content and come together in ritual, ceremony and practice.

These workshops will run approximately 3hrs in length.

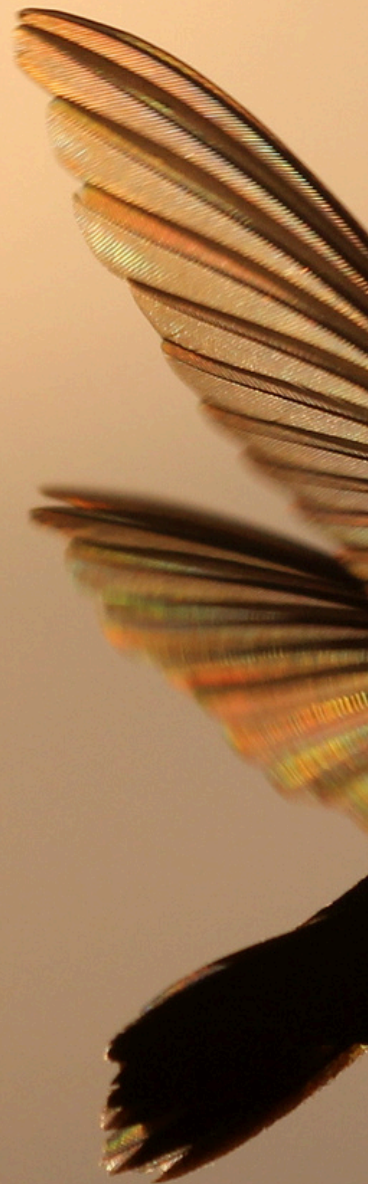

They will be recorded and placed in your learning portal however

Live attendance will bring the greatest benefit to all of us.

Every month there will also be a series of practices and meditations to cycle through, reflective of what we are exploring in our workshop.

Ideally you will be participating in these on a daily basis, however how much and how often you choose to engage with these is up to you.

It is recommended that you are doing at least 2 hrs accumulated practice across the week. This can be as simple as listening to a pre recorded meditation before bed.

A hummingbird is shown in flight, its wings spread wide, positioned on the right side of the frame. The background is a warm, golden-orange gradient, with a large, bright sun in the upper left corner. The text is written in a white, cursive script across the upper half of the image.

you dont have to do
and be it all!

This is a layered
spiralling journey
through the self. Trust
you will witness and
absorb what you need
to. And that you will
naturally explore and
take on the practices
that have personal
meaning and gifting for
yourself. xx
