# **WELCOME BACK TO THE GOOD OLD DAYS!**

Long before Wi-Fi,  
there was the beep-beep-ssshhhhhh of dial-up.

Back when gadgets were chunky,  
cables were everywhere,  
and the patience was a daily skill.

Inside these puzzles you'll find  
the forgotten tech, lost gadgets,  
and the sounds that shaped a generation.

May they bring back a smile -  
and maybe a laugh or two.

*- Klara O'Connor*
