

10 KILLER PROMPTS TO POST SMARTER

***COPY - PASTE - POST.
NO STRESS. NO BLANK SCREENS.***

BROUGHT TO YOU BY

**PROMPT
CLUB**

You just grabbed 10 prompts that'll make social media posting so much easier!

GETTING STARTED

Here's a quick guide to make the most of your new prompts:

Explore the Prompts: Take a moment to read through all 10 prompts. Get a feel for the variety and see which ones spark your interest first. 💡

Choose a Prompt: Pick one that resonates with you or aligns with your current social media goals.

Customize: Don't be afraid to tweak the prompt to fit your brand's voice and style. Add your unique spin! ✨

Create Your Post: Use the prompt as a starting point to craft engaging content. Remember to use high-quality visuals and a strong call-to-action. ✍️

Schedule & Publish: Schedule your post for optimal engagement or publish it right away. Watch the likes and comments roll in! 🚀

Analyze and Adapt: Check the performance of your social media after using the prompts. Use this data to determine what works for your audience.

Have fun creating awesome content! 🎉

👉 How to use them:

1. Open your AI tool (ChatGPT, Claude, Gemini, etc.).
2. Copy + paste the prompt.
3. Add a few details about your business or niche.
4. Hit enter → Boom! You've got a post.

Pro Tip :
Don't overthink.
These are built to
save your
brainpower.

10 Prompts to Simplify Social Media

1. Captivating Captions

Write 5 Instagram captions about [topic/product/service]. Each should use a different emotional hook: curiosity, humor, inspiration, urgency, empathy.

2. Storytelling Post

Write a short Facebook/LinkedIn post that tells the story of why I started [business/brand] and ties it to the value I bring today.

3. Hook Generator

Give me 10 scroll-stopping hooks for a 15-second Reel or TikTok about [topic/product/service].

4. Video Script

Write a 30-second script that introduces [brand], highlights one big problem I solve, and ends with a call-to-action.

5. Polls & Questions

Generate 20 engaging social media poll or question ideas to spark conversation among people interested in [topic/industry].

6. Trend Adaption

Suggest 5 trending social media formats or challenges I could adapt to showcase [business/product/service].

7. Expert Tip Post

Write a Twitter/X thread with 5 practical tips about [topic/industry] that position me as an approachable expert.

8. Relatable Meme/Analogy

Create 3 clever analogies or memes that connect [pain point in my industry] with everyday life.

9. Call-to-Action Variations

Write 10 creative, non-salesy calls-to-action for posts that encourage followers to comment, share, or click my link.

10. Content Calendar

Build a 2-week posting schedule for [brand]. Balance storytelling, education, behind-the-scenes, and promotional posts.

💡 **Tip:** These prompts are designed to push your content beyond “just posting” and into pro-level engagement.
