

# 8th Annual Fresno State Bowling Club Golf Tournament

## Saturday March 1, 2025 at Riverside Golf Course

Fresno State Bowling Club is a nonprofit organization that represents Fresno State University and the local bowling community. The club is committed to teaching sportsmanship at the highest level of competition. We compete against top ranked teams across the nation at various locations throughout the US.

Our goal is to raise \$40,000.00. Funds will be used to cover travel expenses like airfare and fees for baggage, hotel, and rental cars. We kindly ask that you consider supporting our club. The Club relies heavily on fundraisers and donations throughout the year because we are a Club program. Our students are role models for the next generation of Bulldog Bowlers.
