About Us

BusinessIntelligenceGP is a marketing agency that acts as your strategic growth partner for your company, helping you attract more customers and optimize your sales.

We focus on proven digital strategies and can use them for **outreach strategies, advertising campaigns** and Sales **Funnel** optimization with **VSL**, We can even help you **transport the product** if necessary **by ship worldwide**, port to port.

Our goal is to improve your conversions and **maximize ROI**.

Our passion is transforming data into tangible results for your business.

About Me

BusinessIntelligenceGP It is located and registered in the **USA**, in the state of New Mexico; offering its services internationally.

My name is **Eric**, I am a young entrepreneur who created this marketing agency, taking advantage of the fact that the base is in Shanghai with the intention of being able to connect international companies (**Europe, America, Africa, Russia, UAE**) with the Chinese market or vice versa.

I have been involved in the sports and health and wellness sector for more than 12 years and in the aviation sector for more than 8 years.

I would like to be able to help companies and brands related to these sectors, but also to discover and work with new ones.

Our Core Services

Strategic Outreach

We identify and contact your ideal potential clients through email marketing, using information from databases extracted from LinkedIn and social networks, increasing your sales agenda efficiently and effectively.

Leave the prospecting to us.

Digital Advertising Management

We plan and optimize high-impact campaigns in Meta Ads and Google Ads. We will analyze the data to optimize them, attracting highly segmented traffic ready to convert.

We will help you create scripts and always maintain clear and frequent communication to work efficiently.

Sales Funnel & VSL Optimization

We analyze and improve each stage of your funnel to maximize the conversion of visitors into customers, attacking not only that 3% of hot audience, but the majority of the pyramid to improve the conversion reach.

We assist in generating scripts and angles for the videos required in the VSL.
