Cross Regional Collaboration - Taiwan Initiatives Missionary Prayer Letter - Kenneth and Vania Law

Vania Law

Vania and I returned to Hong Kong this February to report on the progress of our Taiwan Initiatives mission project. As we look back to the past two years, we praise the Lord for His guidance and protection. Here is the highlight of our progress:

1. We have established good relationship with several local churches in Taiwan and have selected two partner churches to implement English ministry. Our plan is to help these churches to plant bilingual (English and Mandarin) churches.
2. Two missionary couples from USA are expected to arrive in Taiwan this fall. They will work with the above-mentioned partner churches to start English ministry.
3. We have also hired a part-time administrative staff to handle administrative and accounting work.

Our next stage is to plant our own EFC (Evangelical Free) bilingual churches. To do so, we will need to recruit more English-speaking missionaries, as well as to register ourselves as a charitable organization with the government in Taiwan.

The Evangel Global Missions (formerly HKOMB of Hong Kong) has set the 2025 budget for Taiwan Initiatives to be \$1.8 million HKD (unchanged from 2024). In addition, the four participating Evangel Free Churches need to raise a total of \$5 million HKD for the above-mentioned registration work. Hence Vania and I will be spending a considerable amount of time on recruiting and fund-raising in the coming year.
