The Dental Practice Leadership Workshop

The qualities of impactful leaders I admire are...

The vision I have for my practice is...

The ultimate mission for our practice is...

My core values:

Specific behaviors that demonstrate these values:

My powerful affirmation is:

To stay more present, I can...

My process to improve communication:

Situation	Details of interaction	Who is responsible for what?	What does accountability look like?	Unique communication styles	When to escalate	How to increase motivation
