## Professional Mission Statement

When reflecting on your career and professional ambitions, what do you see yourself achieving? Where do you want to be in the next 3-5 years? 10 years? **How satisfied are you with where you are today?** How confident are you in achieving your goals? How would you rate your current plan in getting to where you want to go?

**Creating and establishing a professional mission statement can help guide you in your ambitions and better enable your success.** How confident are you in your ability to influence the aspects within your control? Would you know where to start?

Use this worksheet as an introduction to better achieve your professional goals. This process of crafting your professional mission statement can help align your values with your ambitions.
