Optional Endings:

God took his(her) hands and called him(her) home.
 What's left is love his(her) hands have shown!
 With my hands I'll serve, til we meet again!
 I'll never look at my hands the same.

He served this land, helped keep it free.
 A sacrifice we all can see.
 And I'll think of him as our flag waves...
 I'll never look at my hands the same.
