

At MadeforSoul, we fuse the timeless artistry of Murano glass with a contemporary vision, creating designs that resonate with the boundless potential within every individual. Rooted in Venetian craftsmanship, our brand celebrates diversity and imperfection, honoring the beauty in what makes each of us unique. Just as Murano glass transforms into infinite forms and vibrant colors, MadeforSoul inspires bold, unapologetic living and authentic self-expression. Each piece is a reflection of individuality, a celebration of life's infinite possibilities, and a call to embrace your true essence. Let our creations inspire your soul to shine.

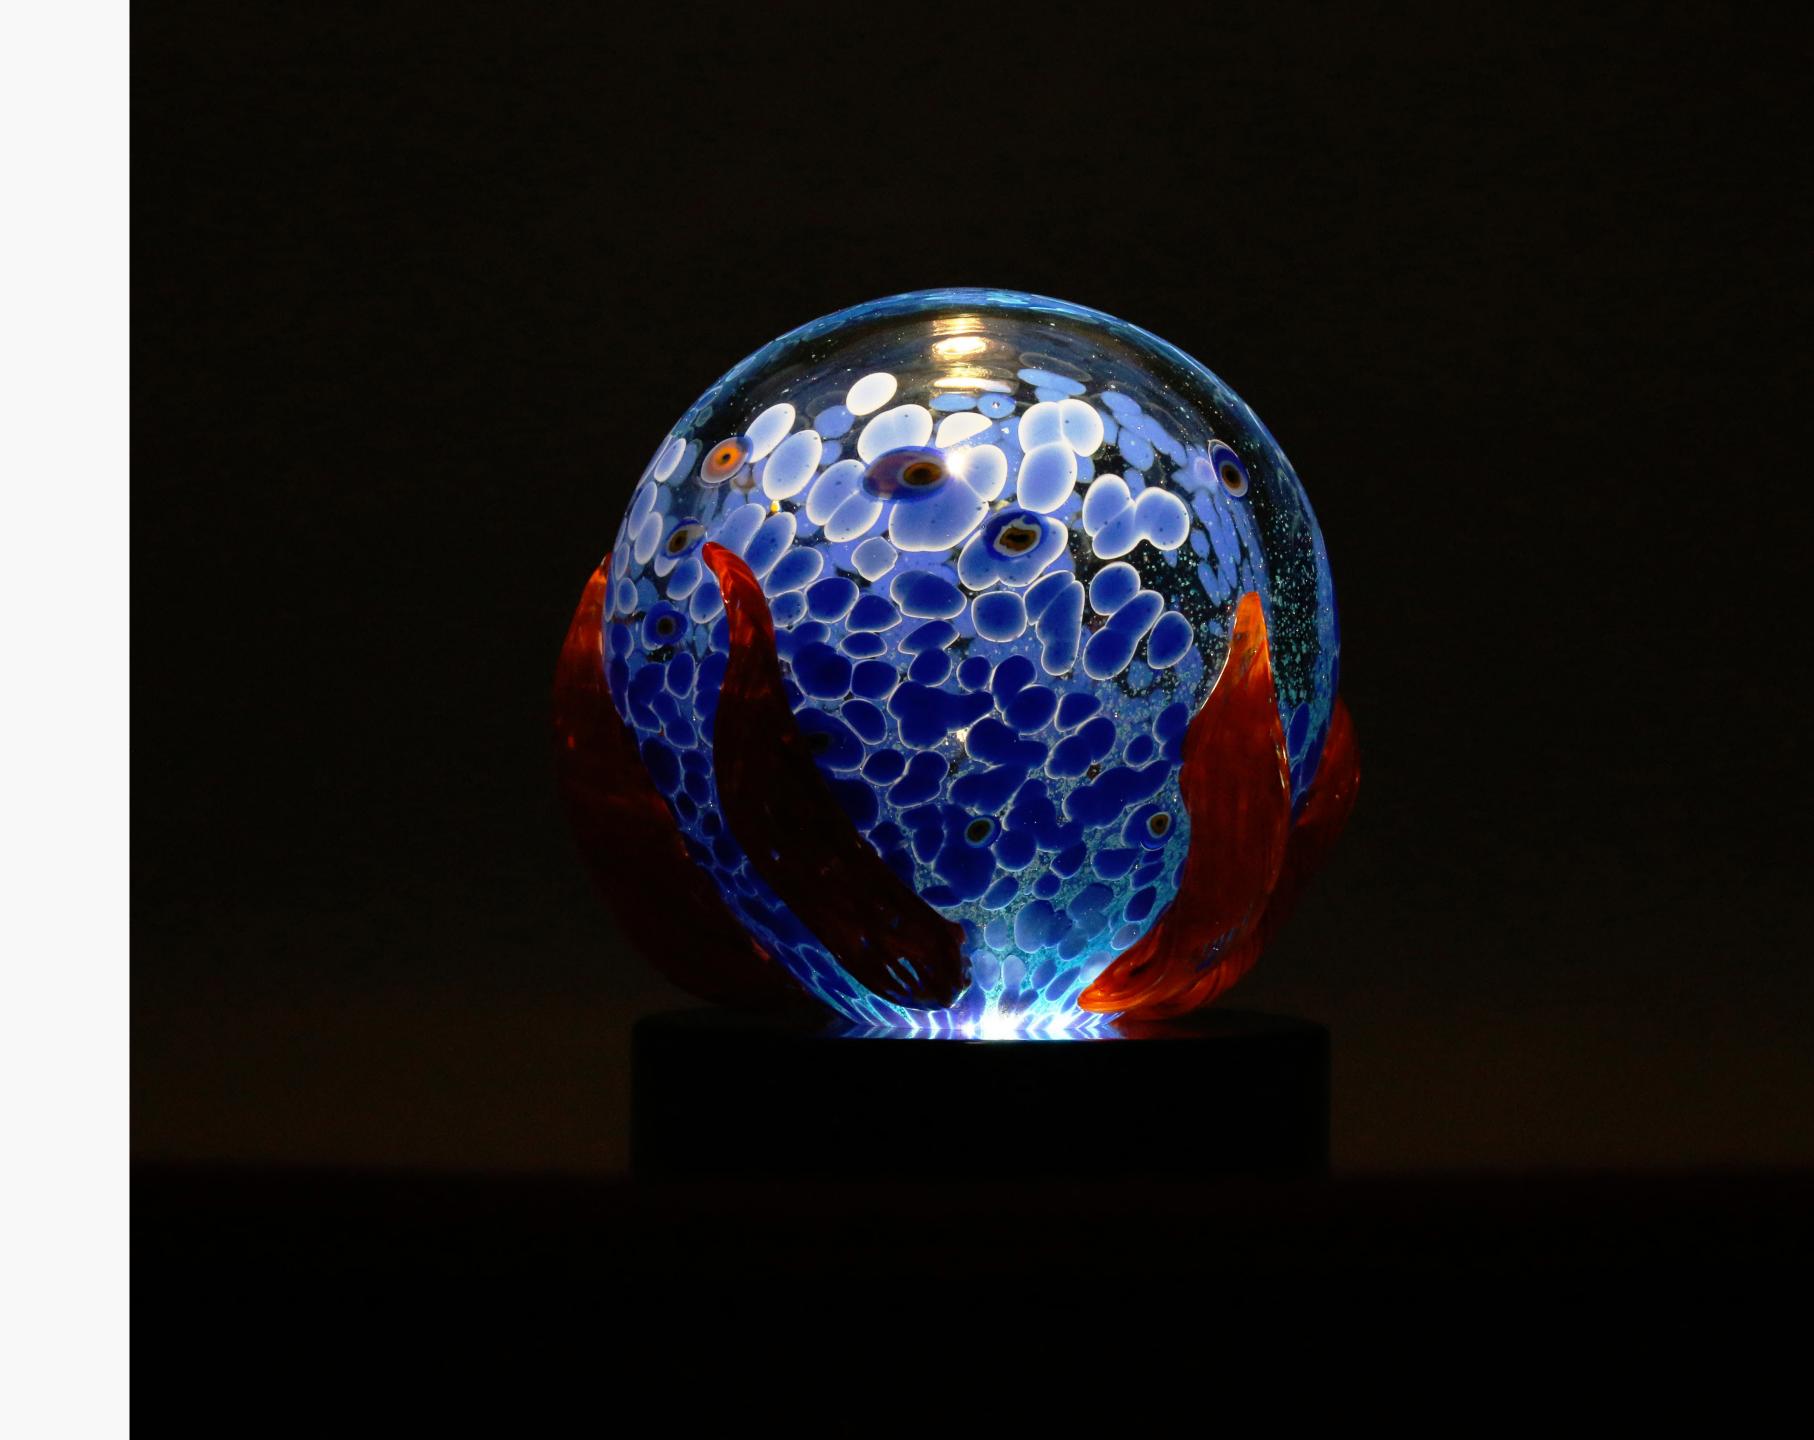

Soulfire Sphere Decorative Pieces

Our Murano glass spheres are handcrafted using traditional glassblowing techniques, making each one completely unique. With their rich colors, intricate patterns, murrine and striking details, these spheres are a true expression of Venetian artistry. Each piece reflects a balance of

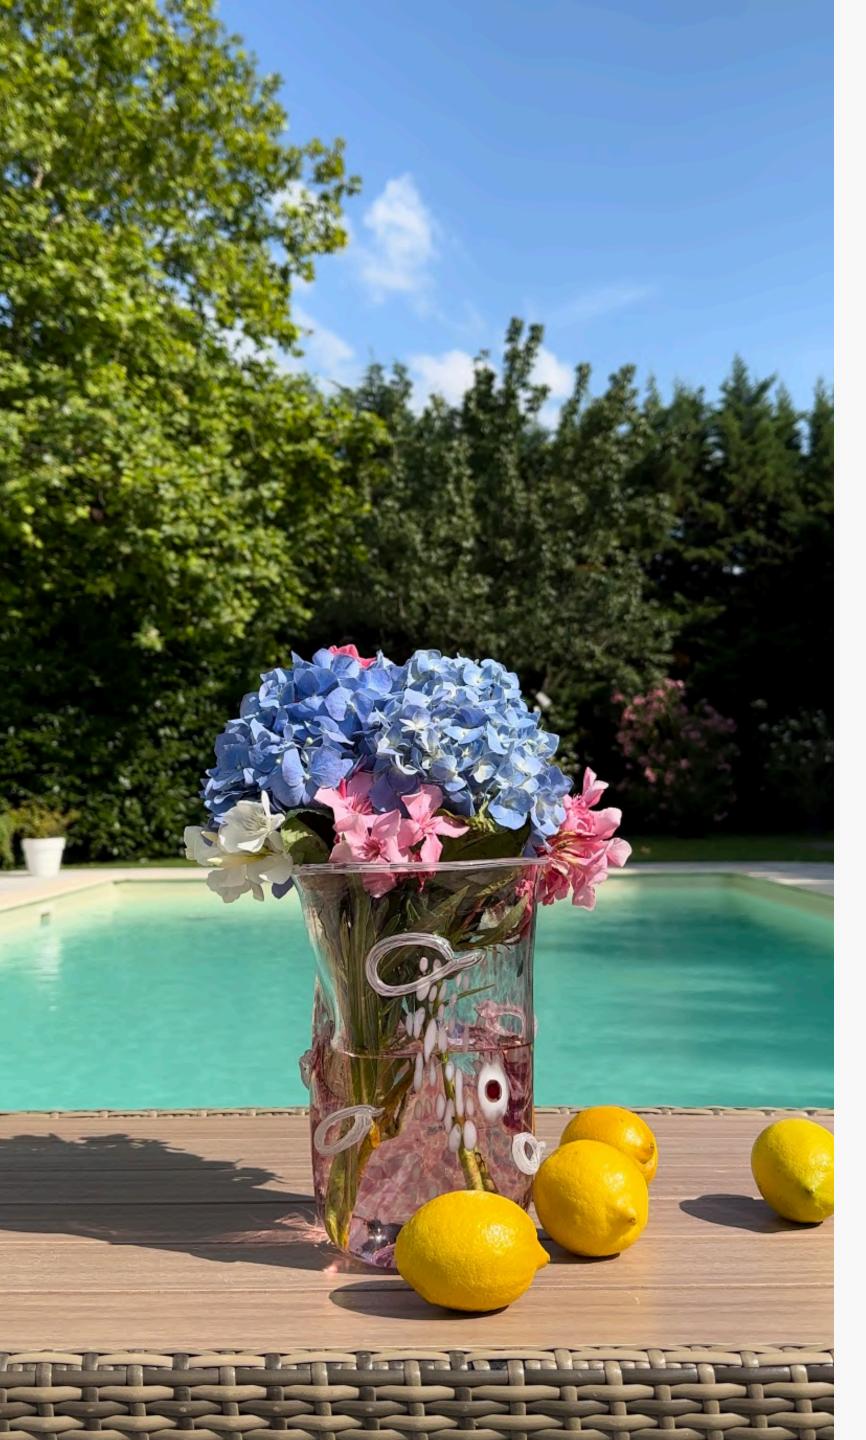

contrasts—light and dark, calm and passion—capturing the essence of the human spirit. Elegant and meaningful, they bring timeless beauty and a touch of inspiration to any space. To make them even more special, our spheres

can be customized to reflect your personal style or vision.

Vases

Our collection of vases features unique pieces with irregular shapes, vibrant colors, and distinctive reliefs. We believe that the environment we surround ourselves with can deeply influence our mood and self-expression. That's why we create our vases not only as vibrant and contemporary additions to any space but also as reminders that being different is beautiful, contributing to the positive energy and uniqueness of your surroundings

Punch Jar Vase

Primarily designed as a vibrant punch jar, this bold and multifunctional piece also doubles as a striking centerpiece, champagne bucket, vase, or decorative accent, perfect for any occasion.

Available for complete color customization

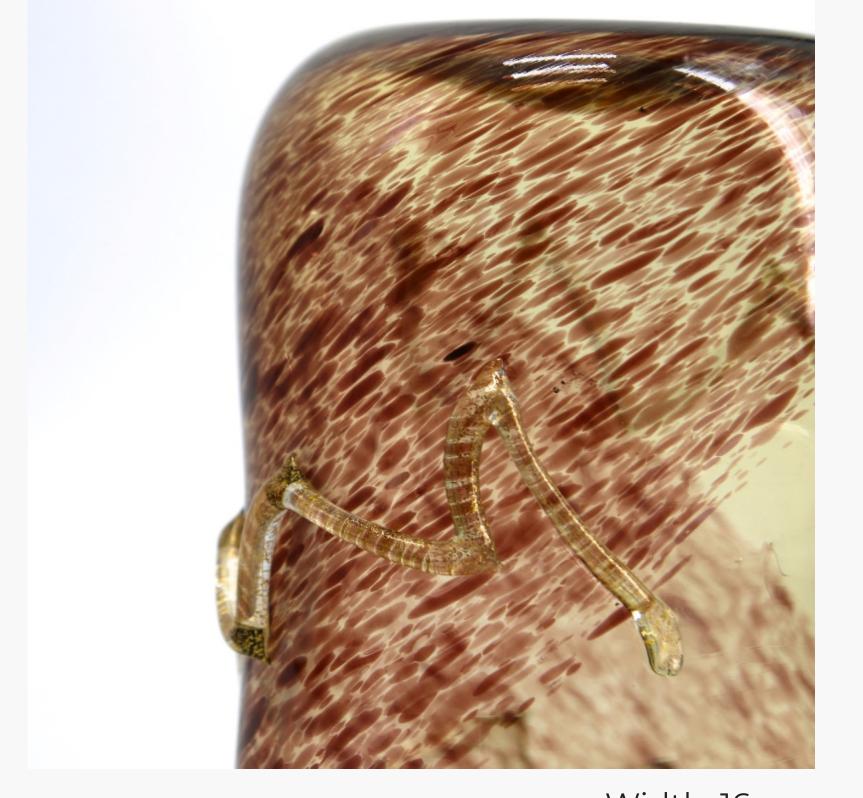

Champagne Bucket Vase

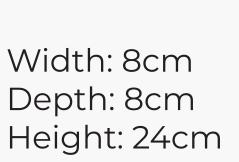

Inspired by the colors of a sunset hitting the Venetian canals, this champagne bucket is designed to elegantly hold a bottle of champagne or wine. Featuring intricate 24k gold relief, it also serves as a sophisticated vase or bold decor piece, adding a touch of luxury to any setting.

Aroma Diffuser Vase

Handmade using traditional lampworking techniques, this black glass diffuser vase features blue dichroic glass and iridescent details. Ideal for both aromatherapy and as a decorative accent, it adds a unique touch to any space.

Dolce Vita Vase

With its mix of opaque white and pink murrine and irregular relief patterns done by hand, this vase offers a fresh take on Italian elegance. The abstract design is perfect for displaying flowers or as a striking piece on its own.

Relief Glasses Collection

The Relief Glasses Collection is inspired by Venice, with each glass capturing a different element of the city. Designed to complement one another, their varied colors create a harmonious and uplifting combination. Though delicate in appearance, they are dishwasher-safe and perfect for everyday use.
