WWW.OMTEMPLECONSTRUCTIONS.COM

OMJIARCHITECT@GMAIL.COM

Vastu Shastra and **Shilp Shastra** are one of the great arts of India.

The Science of constructing Temples, Palaces, Houses are totally based on vastu Shastra and ShilpShastra.

•"vaasthu" (the earth) is called "Vastu".

Thus the art of designing & constructing the temple iscompletely based on "VASTU SHASTRA" and "'SHILP SHASTRA"

Our family is involved in the traditional art of "Temple Architecture" since centuries .

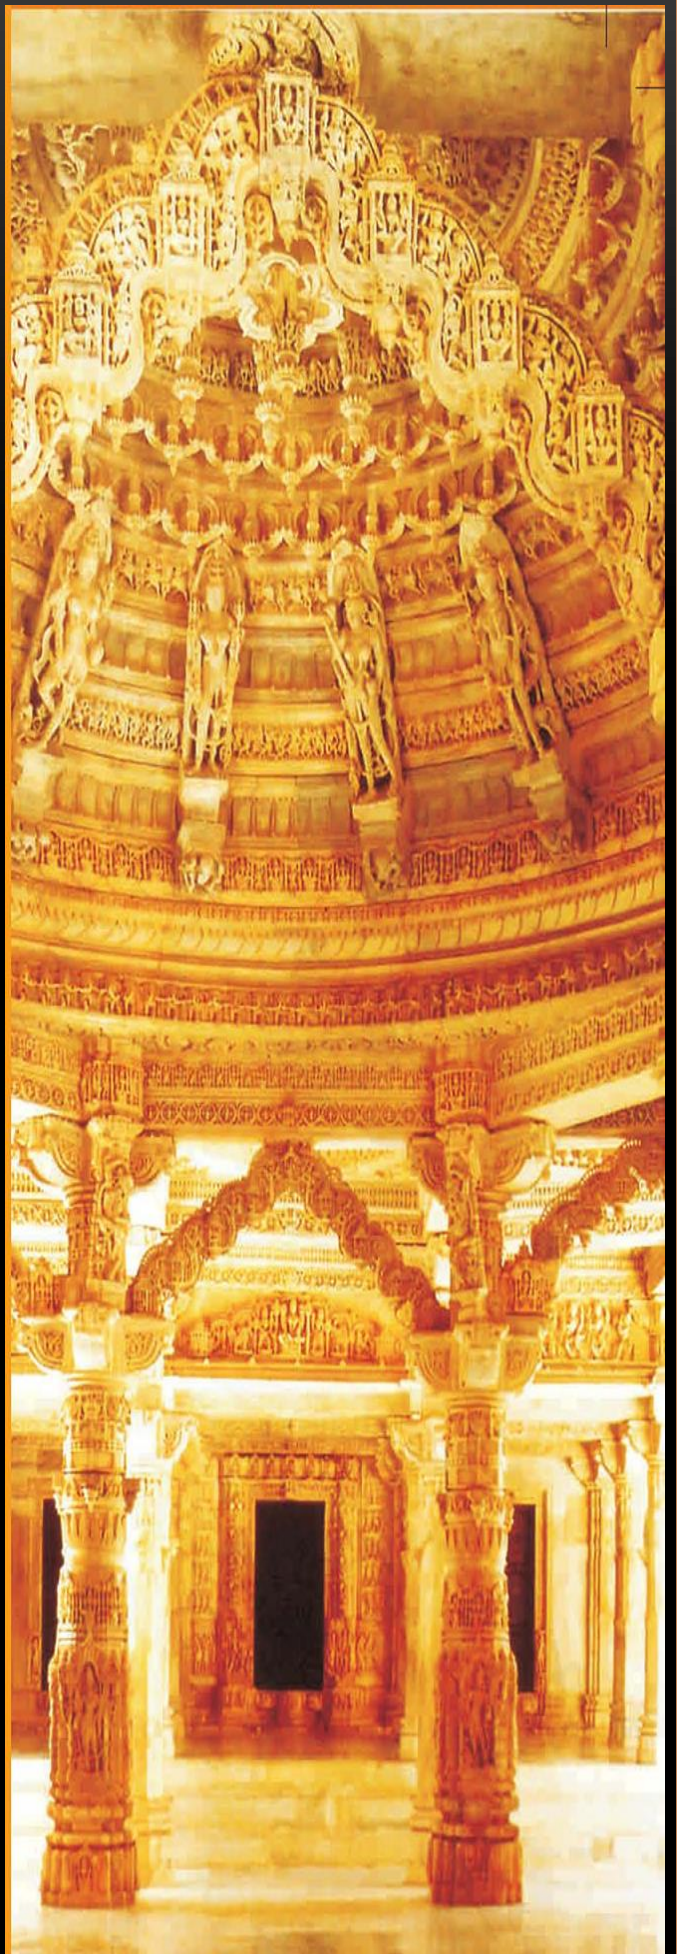

Temple Architecture is one of the world's traditional & ancient art of India.

Om Temple Constructions is one of the leading architectural & manufacturing firm practicing successful since 1961.

Om Temple Constructions delivered classic architectures, marvelous carving & crafting by our expert artisans.

In the journey of **60 years** Om Temple Constructions have designed, constructed & renoveted more than 250 Projects worldwide.

Shilpi Om Prakash Sharma has established this firm and now his son **Shilpi Yatendra Sharma** has also followed on the same profession and is running this firm very smoothly.

India is always appreciated by its culture of ancient & modern sculptures.

Our ancient traditions & civilizations in the world have been preserved with pride today also.

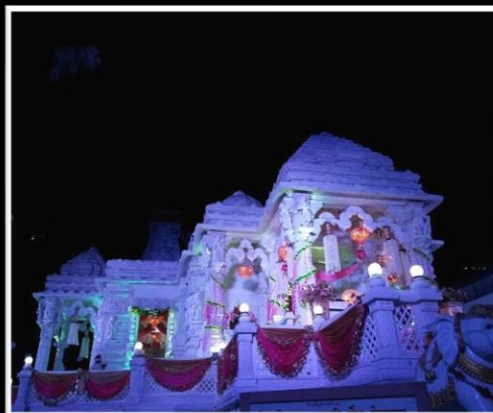

Centuries have been passed away yet we can see a living link with a fascinating & marvelous past into present colours in this modern time.

An Indian artist had always devoted themselves in the art and traditions. they have always given reality, originality & beautiful charm through their sculptures. They have been orally gifted by their acute observation & eye for it.

The sculptures represented here mostly belong to Hindus, Jain religious, Bodh religion.

Nahar Amrit Shakti Temple, Mumbai

Thus we tried our level best to keep alive this precious art & skill of india since last 60 years and is further going on for the future whith skilled artisans.

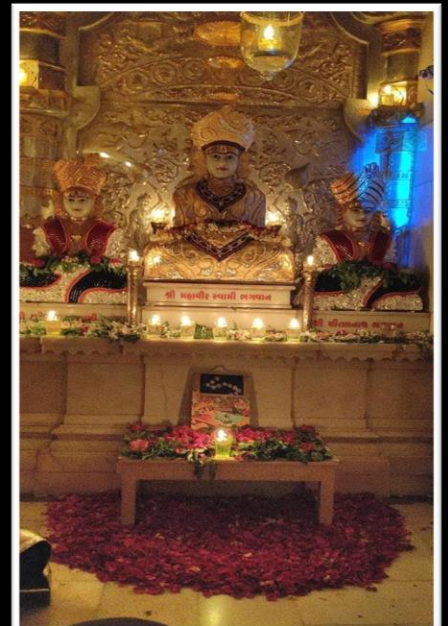

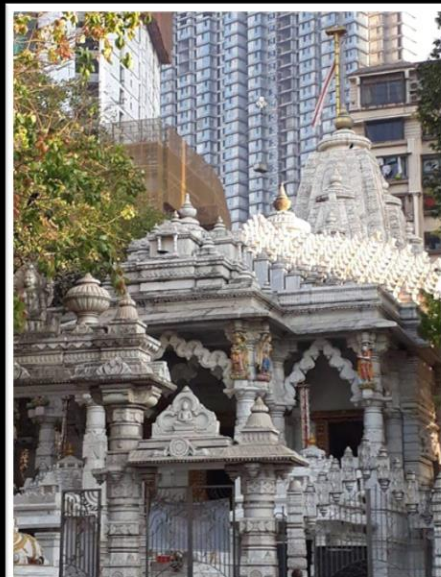

Sarvodaya Nagar Parswanath Jain Temple, Maharashtra

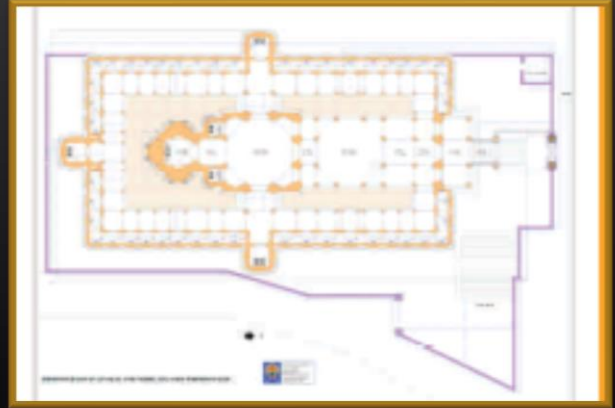

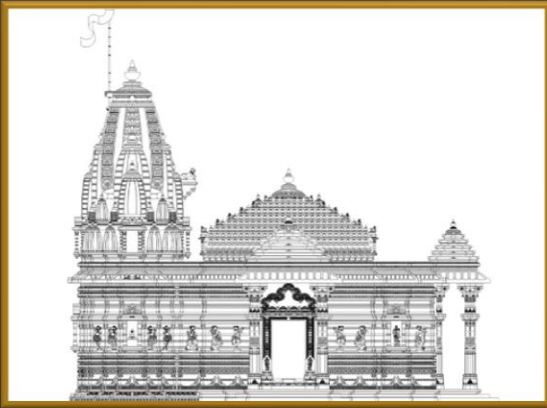

Vasupujya Swami Swetambar Jain Derasar, Mulund

The Temple will be made as per your requirements. It will be our pleasure to work with you.

Shri Simandhar Swami Jain Temple, Mumbai

We design temples fully on computer. It is designed strictly as per the laws of traditional Indian architecture.

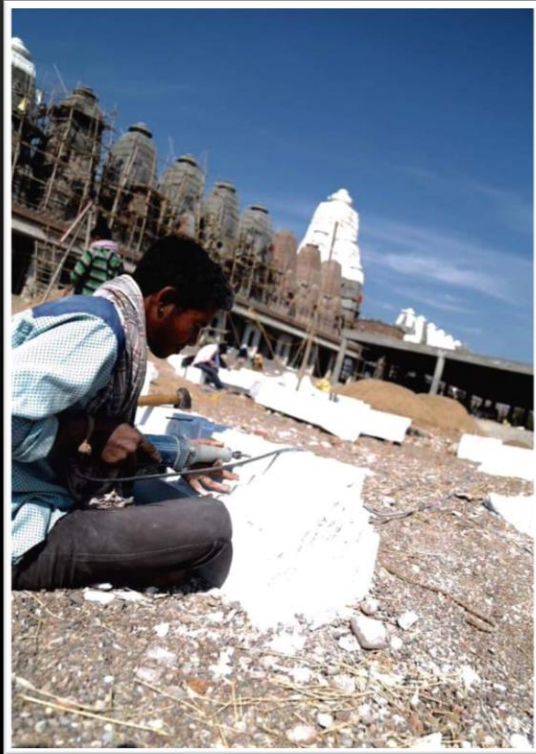

The pictures are of computerized 3D models.

In the model, minute details of carving are shown which are rare in computerized 3D models.

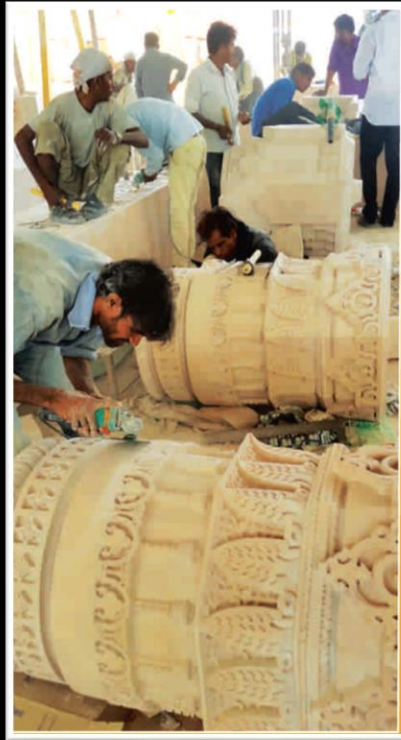

Our Plant & Machinery

- Gangsaw machine
- Block cutting machines
- Edge cutters
- Lathe machines
- Gantry crane
- Hand tools
- Planning cell for temple designing.

A classic range of crafted marble work, furnishing & fixtures adorn our temples into the palace.

It is crafted out from Makrana Marble, Ambaji Marble, Bansi Pahadpur Stone, etc.

Skilled craftsman manpower.

Marble Inlay Work Of Temples.

Bhagwan Moorti Work.

Stone Carving Work.
